AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

Season's Greetings to all! Well, we've all survived the eating frenzy that is "Thanksgiving" and now we're busy shopping for gifts for our family and friends! We've had a couple hints of snow, but happily the weather has been pretty nice. I am really looking forward to the holidays! It will be considerably different this year! Some of you may not know this, but I got married this summer to a very sweet lady named Sandy that coincidentally, I went to high school with. So, there will be lots of extra new family members to spend time with and get to know. Should be lots of fun! I hope you all have a wonderful time with your families too!

Last month, Joe Penza with Acorn Controls put on a great seminar on hot water tempering valves and scald prevention, but it was much more than that! Joe touched on ASSE testing standards and many other details with valve design and application. Many thanks to Joe, and of course Thomas Associates for sponsoring the luncheon. As in the past, we do not have a December meeting, so we'll see you at the January meeting on "High Purity Water Solutions and Service".

Also, in January we are planning a luncheon reception in Fort Wayne for our northern members and colleagues! We have it set for January 28th at Don Hall's Guesthouse. We'll be posting more information soon. If you would like to attend and, or know someone that might benefit from ASPE, please send me an email and well make sure they get invited.

I'll see you in January,

CASPE

Chapter of ASPE

Hello Evansville ASPE!

It's hard to believe Thanksgiving has come and gone and Christmas is right around the corner. This time of year is a good time to reflect on how our current year has gone and what our hopes are for the upcoming year.

We had a great turnout for our November Luncheon presented by Jeff Gallagher with Viega. I want to thank you all for attending and Jeff for a great presentation.

To give back to our members we will be giving away a \$25.00 gift card at each monthly meeting. I would also like to encourage anyone thinking about joining ASPE to please talk to one of the board members.

We are taking the month of December off but our next meeting will be January 28th at our usual location. I hope everyone has a wonderful and safe holiday!

Tech News Now:

Greetings,

Central Indiana ASPE would like to thank Bill Thomas with Thomas Associates, along with Joe Penza and Brian Salem from Acorn Engineering for stopping by to present at last month's meeting. Wish more engineers could have attended.

Please plan to attend our January 21, 2016 meeting at the K of C. Our sponsor will be Absolute Water Technologies, High Purity Water Solutions. We will have more info on our speaker in next month's newsletter.

Thank You for your support of Central Indiana ASPE.
