AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

So, another May has come and gone! As you can see, our board of directors has changed around a bit. I will serve as your new president once again for the next two years! It has been a privilege to serve on the board for these past sixteen years. It has also been an honor to serve with all of the other board members who have served on the board, more recently David Townsend, Pete Dervenis, Tim Wolfe, George Russell, Dan Cummins, Steve Hullett, and Frank Bruggner. I would like to thank each of you for your dedication and support to our chapter of ASPE! I would also like to congratulate our new Evansville Satellite chapter Officers, President - Sam Schenk, VP Technical - Greg Farmer, Treasurer – Brian Lowe, Secretary – Steve Sitzman, and VP Membership – John Buechlein. Most of these gentlemen are returning in another position with a one new face, Greg Farmer joining after recently transferring to the Evansville area. Thank you for all of your hard work with developing our new satellite chapter, with a special thanks to outgoing President Larry Fox. Larry was the driving force in starting this chapter and we owe him and the rest of his board a great deal of gratitude for their efforts.

Another big event in May was our ASPE Member Appreciation Day at the track. It was, as in the past a big hit! Thanks to your ASPE board who feel that giving back to its members is very important. But, really, this event would not have been possible if not for the efforts of Pete Dervenis! Pete, pretty much organizes this event all on his own. All we have to do is show up and enjoy! I would like to thank Brian Lowe and Mike Busing from Evansville who were able to take the time to come and enjoy the day with us! We also held our May ASPE meeting which was sponsored by Larry Boggs and Systec Services. Our featured speaker was Mr. Jim Baker with Anvil International. Thank you to these gentlemen for taking the time and expense to provide our chapter with a very educational seminar.

Right around the corner is our annual ASPE Golf Outing on August 7th. It will be here before you know it, so don't wait to contact Pete Dervenis if you would like to play, sponsor a team, or even donate a door prize. Details are listed elsewhere in this issue. Please don't wait until the last moment!

See you at the Golf Outing,

David Townsend, CPD
Outgoing President, C.I. Chapter

The summer break for our ASPE chapter is upon us and summer vacations have started. I do want to remind everyone about our chapter Golf Outing on August 7th at Ironwood Golf Club in Fishers, Indiana. It is time to start getting your teams together and time to start getting your names in to Pete Dervenis. Golf outing information will be included in this newsletter as well as our online form will be up on the website soon.

I attended the Region 2 President's Meeting in Columbus, Ohio on June 6th. I want to thank the Central Ohio Chapter for hosting the meeting and events. They did a great job with the entire weekend. I received quite a bit of information at the meeting including information about the upcoming Tech Symposium in October in St. Louis, Missouri. ASPE is still advancing according to the news that we received at the meeting. Our chapter is currently still in need of an ASPE Young Professional (AYP) representative. Any ASPE member age 35 or younger that is interested in serving this role please let our chapter officers know so we can give you more information.

Over the summer break our chapter officers will be planning and filling our calendar of meetings and events for the following year. If you have any specific topics you would like to have at a meeting, please let us know. We want to be sure we are offering interesting and practical topics that will help you increase your knowledge of the plumbing world.

This will be my last article as President of our chapter as my term is up. I appreciate Gary Borgmann for stepping up again to serve our chapter as President. I will be transitioning back into the Membership VP role for this term and focus on membership growth and retention for our chapter.

As a reminder, there is no chapter meeting this month. I hope to see you all at the Golf Outing on August 7th.

BOILERS | BURNERS | PUMPS | WATER HEATERS | HEAT EXCHANGERS

Larry Fox, CPD
President, ASPE Evansville

Greetings from Evansville ASPE!

I would like to thank Hydronic & Steam for sponsoring our last meeting. Jack Kilbort did a good job talking about domestic hot water return systems.

Speaking of Hydronic & Steam I would like to welcome our new member Dan Johnson!

I would also like to welcome the following additional new members to Evansville ASPE:

Richard Lasher

Mike Lindauer

Patrick Thompson

Great work John in recruiting these new members!

At our May meeting I presented each board member with a special award plaque to show my appreciation for their contribution to Evansville ASPE during my tenure as president. I also presented an award to member Mike Borman for his contribution in organizing the ASPE/JATC Annual Trade Show.

We are still looking for players to participate in our third annual Golf Scramble which will be held at Cambridge Golf course on June 25. I would like to thank those who have already committed to playing or being a sponsor. We are still short of our goal to have 12 teams. If you are interested please contact Steve Sitzman.

Mark your calendar for the Membership Appreciation Day August 6. The venue will be the Evansville Otters Baseball Stadium. This will be for ASPE members only and their families more information on this to follow.

Greg Farmer and I attended the Presidents meeting June 5-6 at Columbus, Ohio. There was 100% participation by all of the chapters in Region 2. It was good to meet everyone and here what other chapters were doing. The Region 2 Director was pleased and commended Evansville ASPE for their increase in membership this past year!

We will not be meeting again till September. I hope everyone has a wonderful and safe summer.

I hope you will support your new President Sam Schenk and the incoming new board members these next 2 years. It has been my pleasure being the Evansville ASPE President these past 3 years. We have made great progress and will continue to be a beacon for the Industry in this area. I have no doubt that one day we will reach our goal of becoming a FULL CHAPTER.

To borrow a quote from one of our American Past President's "Ask not what your ASPE chapter can do for you but what you can do for your chapter".

Attention All Plumbing (Engineers, Designer, Contractors, Manufacture Representatives, Manufacturers):

Now is the time to get out your golf clubs and to get them all cleaned up (if you have not done so already) because it's time once again for our Annual Central Indiana ASPE Golf Outing. It's also time for putting your Sponsored Golf Teams, Individual Sponsored Golfers and Hole Sponsorships together. This year's outing will be held on Friday, August 7th, 2015 at Ironwood Golf Club. The Golf Outing forms and additional information about the day can be found on our website www.indyaspe.org and displayed elsewhere in this newsletter. Our Golf Outing Committee has been working very hard to make this year's event one of our best attended and represented golf outings ever. So, please pass the word on to everyone within our great local Plumbing community. We truly hope to see you all at the outing this year. Don't be left out... get your Golf Outing forms and payments in as soon as possible. We'll see you there. Thanks

Sincerely,

2015 Golf Outing Committee

Golf course gift certificates will also be awarded to players for: Closest to the hole from a tee shot (**LAKES #9**), Longest drive from a tee shot (**VALLEY #5**) and Longest putt made (**VALLEY #9**). Door prizes will be raffled off after dinner (You must be present to win).

Tie Play: Ties will be settled by scorecard play-off beginning with the number one handicap hole.

Specials: There will be a **SKINS** pot for **\$20.00 per team** as well as a **MULLIGAN SHEET** (3 re-do's) for **\$20.00 per team**. Payments will be collected at the time of your signing in.

34th Annual Golf Outing 2015

We are requesting assistance from our Manufacturer Representatives, Vendors, Contractors, Suppliers and Engineers to contribute in the form of **Hole(s) Sponsorships** and **Door Prizes** for our golf outing. In Sponsoring a Hole(s), a Sign will be made with your Company's name on it and the Sign will be placed at a predetermined Tee Box. Door prizes will be raffled off after dinner. Door prizes should be delivered to Pete Dervenis before the outing or can be delivered the morning of the outing to Ironwood Golf Club.

Remember, Sponsorships make this opportunity available for exciting social interaction with the many Manufacturing Representatives, Vendors, Contractors, Suppliers and Engineers. As always, we are Very Grateful for all that you do for the Central Indiana ASPE Chapter and would like to say **THANK YOU** for all your support. I'm sure that you will all have a wonderful time at our Golf Outing this year.

Sincerely,

Gary Borgmann CPD

Pathogen Control by Design

Design strategies to minimize microbial growth in commercial plumbing systems

Viega and Tim Keane of Legionella Risk Management are offering a training course on how to maintain water quality and minimize microbial growth in commercial plumbing systems. Don't miss this opportunity to learn about waterborne pathogens and how to guard against them.

Pathogen Control by Design

- Case studies of Legionnaires' disease outbreaks
- Legionella guidelines and standards from a liability perspective
- Design factors that impact pathogen control

Tim Keane is a consultant with Legionella Risk Management Inc. and is one of the country's leading engineering experts in methods to control and minimize the risk of Legionella.

He has 25 years experience in industrial and commercial water treatment consulting with the last 10 years being focused on waterborne pathogen control.

He also has 10 years experience as a Project Engineering Manager both in new construction and facility operations.

He has worked with healthcare, commercial, institutional, industrial and municipal facilities in the US and internationally and has been involved in the following areas; new construction plumbing design review, waterborne pathogen risk management program development and implementation, plumbing system risk assessments, outbreak investigations and consulting on water treatment issues.

Tim has given several presentations on ground breaking issues related to Legionnaires' disease. He has presented at the American Water Works Association (AWWA) 2012 Water Quality Technology Conference, the International Emerging Technology Symposium and the 2014 American Society of Plumbing Engineers (ASPE) Convention.
