AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

David Townsend, CPD
President, C.I. Chapter of ASPE

Hello Central Indiana ASPE! This month we will have our chapter officer elections. The final ballot has been created and is located in this newsletter. We will hold the voting at our May chapter meeting on May 14th. Please make plans to attend this meeting since it will be the last meeting of the season as we do not have meetings in June, July and August for summer break.

I hope that all of our members and sponsors who were interested in going to the Membership Appreciation Day next week at the Motor Speedway have sent in their RSVP to Pete Dervenis. This should be another great event for our chapter. Evansville's golf outing is approaching quickly. Please see the information in this newsletter on how you can be a part of their outing.

June 5th and 6th will be the dates for the ASPE President's Meeting this year hosted by the Central Ohio Chapter in Columbus, Ohio. I will be attending the meeting along with Larry Fox and Greg Farmer from the Evansville Chapter. We will provide an update in future newsletter issues of any Society and/ or Chapter news.

Hope to see everyone on the 14th at our May meeting.

Larry Fox, CPD
President, ASPE Evansville

Greetings from Evansville ASPE!

I would like to thank Jeff Gore with Culligan for his presentation on Water Conditioning at our April meeting. Jeff has been a loyal supporter of Evansville ASPE and I certainly appreciate it.

The Evansville ASPE Board of Directors for the year 2015-2017 is as follows:

President – Sam Schenk
VP Technical – Greg Farmer
Treasurer – Brian Lowe
Secretary – Steve Sitzman
VP Membership – John Buechlein

Registration is now open for the 2015 ASPE Technical Symposium. It is being held October 1-4 in St Louis. Registration and more information can be found at ASPE.org.

Evansville ASPE is planning a Membership Appreciation Day in August. The venue will be the Evansville Otters Baseball Stadium. More information on this will be discussed at our May board meeting.

Spring is in full swing and time to play some golf! Our third annual Golf Classic will be June 25 at Cambridge Golf Course. I would like to thank Aspinall Associates for agreeing to sponsor the food and beverages. See our golf flyer in this newsletter for other sponsorship opportunities.

Please contact Steve Sitzman steve.sitzman@skanska.com. if you would like to help out or sponsor a team.

Greg Farmer and I will be attending the Presidents meeting June 5-6 at Cleveland.

Please join us at our next meeting on May 28. Our sponsor will be Hydronic & Steam Equipment. The presentation will be about Domestic Hot Water Return System and Design.
Hope to see you there.

Upcoming Meetings:

May – Hydronic & Steam Equipment
June – Golf Scramble

Tech News Now:

Technical:

May is here and I am looking forward to our ASPE Appreciation Day at the Indianapolis Motor Speedway. If you're an Indy Car fan, and you've ever attended any of these events we've hosted in the past you know that they can be quite fun! Pete Dervenis, like in the past has done a great job organizing this event. We have the Hulman Terrace Suite across from the pits so we can watch all of the action. Lunch and beverages will also be provided. We also have Garage and Pit passes for use by our attendees. These will allow you to get literally up close and personal! We have posted more detailed information in this and past newsletters, so make plans to spend the afternoon with us on Fast Friday! Also the month of May brings about our Chapter Officer elections. By the time you read this, nominations will be closed. Currently we do not have any opposed positions, so there won't be a lot of excitement with the May elections.

I want to thank Nancrede Engineering for sponsoring last month's luncheon seminar, as well as Tom Muilenberg for presenting a very enlightening presentation on Cost Effective Secondary Disinfection. For our month of May ASPE meeting, we will have Jim Baker with Anvil International presenting on The Elements of "Grooved Piping Systems". You will see from the program outline included elsewhere in this issue, that there will be many details of grooved piping systems covered. For those needing CEU credits, we will be issuing certificates to those in attendance requesting them.

See you at the May meeting,

Gary Borgmann, CPD
VP Technical, C.I. Chapter of ASPE

CENTRAL INDIANA - ASPE APPRECIATION DAY

Indianapolis Motor Speedway

- TO:** CENTRAL INDIANA – ASPE MEMBERS
Each Member's RSVP will be verified to ensure he/she is a current CI-ASPE member in good standing. This is a Members and Financial Supporters ONLY Event.
- WHY:** Because of your Gracious Support for the **Central Indiana - American Society of Plumbing Engineers**, we would like to extend a "**Thank You**" to you, by inviting you to join us for a fun and exciting day in one of the Suites at the Indianapolis Motor Speedway sponsored by CI-ASPE.
- WHEN:** **Friday, May 15th, 2015.** The IMS gates and Suite open at 10:00 am and close at 6:00 pm.
- WHERE:** **Indianapolis Motor Speedway HULMAN TERRACE SUITE #409** - Located on the outside of the track's main straightway. Watch the cars and action on the track and on pit row from the Suite or on the closed-circuit TV. Also available is an outside private seating area just steps away from inside the suite to watch the cars and action on the track. A limited number of Garage and Pit/Garage Passes will be available for your enjoyment. (Your DRIVER'S LICENSE and proper/appropriate attire is required to sign-up for either pass).
- LUNCH:** Catered by **Jug's Catering** from 11:30 am till 2:00 pm. Menu includes: Fried Chicken, Country BBQ w/ Buns, Seasoned Green Beans, Baked Beans, Potato Salad, Biscuits w/ Apple Butter and Assorted Gourmet Cookies. Soft Drinks, Water and Beer will also be provided.
- EVENT:** This day is referred to as **FAST FRIDAY**. Fast Friday is the last practice day before Qualifying Pole Day. This is a very exciting day to watch the drivers and their crew search for the fastest speed they can get out of their cars.
- RSVP:** No later than **Friday, May 1st, 2015** to Pete Dervenis at (317) 509-9831 or email (pdervenis@indy.rr.com). This is a **First Come, First Serve** Event as we are limited to the number of tickets available in the Suite. So, get your call or email in to Pete Dervenis ASAP.

Looking forward to seeing you there,

2013 – 2015 Board of Directors

Pathogen Control by Design

Design strategies to minimize microbial growth in commercial plumbing systems

Viega and Tim Keane of Legionella Risk Management are offering a training course on how to maintain water quality and minimize microbial growth in commercial plumbing systems. Don't miss this opportunity to learn about waterborne pathogens and how to guard against them.

Pathogen Control by Design

- Case studies of Legionnaires' disease outbreaks
- Legionella guidelines and standards from a liability perspective
- Design factors that impact pathogen control

Tim Keane is a consultant with Legionella Risk Management Inc. and is one of the country's leading engineering experts in methods to control and minimize the risk of Legionella.

He has 25 years experience in industrial and commercial water treatment consulting with the last 10 years being focused on waterborne pathogen control.

He also has 10 years experience as a Project Engineering Manager both in new construction and facility operations.

He has worked with healthcare, commercial, institutional, industrial and municipal facilities in the US and internationally and has been involved in the following areas; new construction plumbing design review, waterborne pathogen risk management program development and implementation, plumbing system risk assessments, outbreak investigations and consulting on water treatment issues.

Tim has given several presentations on ground breaking issues related to Legionnaires' disease. He has presented at the American Water Works Association (AWWA) 2012 Water Quality Technology Conference, the International Emerging Technology Symposium and the 2014 American Society of Plumbing Engineers (ASPE) Convention.

CENTRAL INDIANA

May Meeting Preview

Course Description:

The Key Elements of Grooved Piping Systems

Course Learning Objectives:

Short history of grooving pipe

- Origin

- Growth of grooved systems

Video of Grooving pipe

- Grooving basics

- Types of couplings (Rigid and Flexible)

- AWWA-C606 Specification (Depth and placement of the groove)

- Variations to the specification

Demonstration of installing a coupling, fitting and pipe

Applications and Advantages

- HVAC, domestic water, Compressed air, fire suppression

 - Steel, Copper, Stainless, HDPE, Ductile Iron

- Advantages of grooved pipe systems

 - Union at every joint

 - No fire permit required

 - Ease of installation

 - Shortage of skilled trades people

 - Combination of rigid and flexible couplings

Available services

- Training

- Education

- Design

Speaker Bio:

Jim Baker

Anvil International Mechanical Specialist

Jim Baker has been with Anvil International for three years working as a Mechanical Specialist for Gruvlok and Anvil Hangers. Jim has a wealth of knowledge and hands on experience in the field, serving as a UA Plumber/Pipefitter/Apprentice with Local 162 in Dayton, Ohio. He was a Journeyman Plumber/Pipefitter/Welder for 25 years, 13 of those years as the Apprenticeship instructor. He also was the Apprenticeship coordinator for 12 years. Jim holds a State of Ohio Contractors license OCILB, State of Ohio Plumbing Inspector License OCILB, State of Ohio Plumbing Inspector License BBS, State of Ohio Back flow certified, City of Dayton Journeyman Plumbing License and a member of the City of Dayton Plumbing Examining Board.

Jim is married and resides in Dayton, Ohio with his wife. He is the father of two.

Invoices will be sent out for the advertisement(s) that you have requested to be printed in our Newsletter.

1. Business Card: \$50.00 per year, per card (In Newsletter Only)
2. Business Card: \$100.00 per year, per card (In Newsletter w/ Your Website Link)
3. Full Page Advertisement: \$75.00 per page, per month.
4. Half Page Advertisement: \$50.00 per month.
5. Quarter Page Advertisement: \$35.00 per month.

NOTE: A \$25.00 convenience fee will be added to your total invoice if you or your company is NOT a current ASPE member.

The deadline for Business Card(s) and other Advertisement(s) to be included in the following month Newsletter is the 25th of each month. Send your Advertisement(s) to us today.

If you have any questions, please call George Russell at (317) 636-3941; or Pete Dervenis at (317) 509-9831.

As Always, THANK YOU for your Central Indiana ASPE Support!

CHAPTER OFFICER POSITIONS

As you are aware the Indianapolis chapter is nearing the end of its 2-year officer term. This May we will be electing our new 2015-2017 chapter officers.

Below is an overview of the elected positions from the ASPE P&O manual.

Chapter President, Vice President Technical and Vice President Membership must be Full-Members the remaining board positions can be any membership classification.

Chapter President

The office of President is the highest officer position in the ASPE chapter structure. The Chapter President is the leader of the chapter and has the responsibility for providing the chapter's leadership during his/her term of office. The Chapter President is responsible for:

- Organizing and managing an orderly, controlled, and informative chapter meeting
- Establishing the dates of, organizing, managing, and chairing the monthly meetings of the Chapter Board of Directors
- Appointing chapter Committee Chairs, appointing/approving committee members, and assigning special responsibilities to individual members
- Maintaining awareness of, and interest in, chapter activities. The President must judge when residential intervention is required on behalf of the chapter's best interests.
- Sustaining interest in, and monitoring the results of, chapter committees. Committee results and reports may ultimately affect the direction of the chapter and should be confirmed to be a consensus of the assigned individuals.
- Knowing the eligible activities that qualify and can be credited toward the Chapter Award of Merit program; verifying the chapter's monthly credit standing with the Society
- Initiating, scheduling, controlling, and producing the chapter's annual report. The chapter annual report is a vital communication link with the Society and is the trigger for the renewal of the chapter's charter and the release of the membership dues rebate monies. The chapter, through its Board of Directors, should retain a copy of the annual report. Proper delivery of the annual report can be ensured by mailing it to the Society via special delivery, return receipt requested.
- Maintaining and distributing the monthly newsletter—the chapter's most valuable member communication vehicle. Ensure that copies of the newsletter are distributed to the Society office, Region Director, and other regional chapters.
- Attending annual Chapter Presidents Region Meetings representing the chapter
- Representing the chapter at ASPE's biennial Convention as the lead delegate. The President ensures that the delegate list is completed and sent to the Society in a timely manner. (The delegate list is the trigger required to receive delegate travel monies.)
- Presenting the chapter annual budget for approval by the Chapter Board of Directors.
- Writing articles for the Chapter newsletter.

The Chapter President should be innovative, unafraid of change, and continually striving to improve upon previous years' successes. Each new Chapter President will be contacted by, and is expected to build an ongoing relationship with, the Region Director, an important communication link between the chapter and the Society Board of Directors. The Region Director provides an invaluable service and is chapter-oriented; visiting the region's chapters annually, he/she has an accumulation of Society information and chapter know-how, knows the answers to many chapter problems, and acts as the chapter's spokesperson with the Society Board of Directors.

Vice President, Technical

The Chapter Vice President, Technical is responsible for the planning, organizing, and directing of all technical activities and events of the chapter, which includes:

- Arranging the technical presentations for chapter meetings, including:
 - Establishing the technical presentations' subject matter
 - Identifying and engaging technical speakers
 - Ensuring that technical presentations are nonproprietary in nature, even if that means the presentation must be halted
 - Chairing the Chapter Technical Committee and/or overseeing the Chapter Meeting Committee
 - Working with the Society Technical and Research Committee as needed for local or Society interests concerning technical matters
- Participating in the Society's Technical and Research Council (all Chapter Vice Presidents, Technical are members), including attendance at Council meetings held biennially at the ASPE Convention
- Submitting monthly meeting speaker evaluation reports to the Society for general distribution
- Preparing appropriate sections of the chapter's annual report
- Writing articles for the Chapter newsletter

CHAPTER OFFICER POSITIONS

Below is an overview of the elected positions from the ASPE P&O manual.

Chapter President, Vice President Technical and Vice President Membership must be Full-Members the remaining board positions can be any membership classification.

Vice President, Legislative

The Chapter Vice President, Legislative is responsible for:

- Planning and implementing chapter programs and projects relating to codes, ordinances, and municipal or state regulations that affect the membership
- Working with the Society's Vice President, Legislative and Legislative Committee, and providing chapter membership viewpoints for national-level codes, ordinances, regulations, and standards
- Acting as the liaison with code-writing and regulatory organizations and agencies, as necessary and desirable for the chapter's membership
- Reporting local code or legislative activities to the Chapter Board of Directors and to the Society office
- Participating in the Society's Legislative and Code Council (all Chapter Vice Presidents, Legislative are members), including attendance at Council meetings held at the biennial ASPE Convention
- Preparing appropriate sections of the chapter's annual report
- Writing articles for the Chapter newsletter

Vice President, Membership

The Chapter Vice President, Membership is the membership administrator of the chapter. The Vice President, Membership, is responsible for:

- Maintaining an accurate roster of the chapter's members
 - Reviewing, for completion, accuracy, and proper classification, applications for membership and applications for advancement of membership; also ensures that the appropriate fees and dues amounts are submitted with applications
 - Working with the Society's Vice President, Membership, Membership Committee, and membership Director, as necessary
 - Chairing the Chapter Membership Committee, including:
 - Planning and implementing membership recruitment programs
 - Membership retention
 - Participating in the Society's Membership Council (all Chapter Vice Presidents, Membership are members), including attendance at council meetings held at the biennial ASPE Convention
 - Preparing appropriate sections of the chapter's annual report
 - Writing articles for the Chapter newsletter
- The Chapter Vice President, Membership also may be responsible for the planning, organizing, and conducting of all chapters social events.

Treasurer

The Chapter Treasurer is the chief financial officer of the chapter. The Treasurer is responsible for:

- Collecting chapter funds and depositing monies received by the chapter (e.g., dues rebates, meeting fees)
- Disbursing chapter funds and paying chapter bills
- Overseeing chapter finances
- Maintaining chapter financial records
- Reporting, periodically, to the Board and to the chapter on the state of the chapter's finances
- Submitting monthly financial reports to the Society office
- Preparing the financial report sections of the chapter's annual report

CHAPTER OFFICER POSITIONS

Below is an overview of the elected positions from the ASPE P&O manual.

Chapter President, Vice President Technical and Vice President Membership must be Full-Members the remaining board positions can be any membership classification.

Administrative Secretary

The Chapter Administrative Secretary is the record keeper for the chapter. The Administrative Secretary is responsible for the internal

records of the chapter (i.e., records of chapter business), which includes:

Keeping minutes of Board meetings, minutes of general membership meetings, attendance records, etc.

Transmitting the required monthly reports to the ASPE office, including:

Board meeting minutes

General membership meeting minutes

Meeting attendance lists (sign-in lists)

Treasurer's reports (prepared by the Treasurer)

Chapter newsletter (prepared by the Newsletter Editor)

Technical Committee report (when applicable)

Education Committee report (when applicable)

Legislative and Codes Committee report (when applicable)

Meeting and/or technical program evaluation form

The Administrative Secretary, while not responsible for preparing all of these reports, is responsible for seeing that they are submitted, in a timely manner, to the Society office. The Administrative Secretary is responsible for preparing the appropriate section of the chapter's annual report. Required reports, such as the chapter and Board meeting minutes, and the Vice President, Technical, Vice President, Legislative, and Vice President, Membership reports may be published as part of the chapter newsletter, which is an acceptable alternative to submitting the reports to the Society office.

Corresponding Secretary

The Corresponding Secretary is responsible for all intra-chapter correspondence and for communication with the Society office, which includes:

Maintaining the chapter's mailing list of members

Working with the Vice President, Membership to maintain the chapter's membership records

Preparing, in conjunction with the Vice President, Membership, the official membership roster of the chapter

Assisting with the mailing of the chapter's newsletter

Providing updated chapter information regarding officers, contact information, and meeting location to the Society

Maintaining a link for the chapter's website with the Society's website The Corresponding Secretary is responsible for preparing the appropriate section of the chapter's annual report.
