AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

Happy Spring everyone! With the weird weather we're having, I think the old saying should be changed to either April Showers bring May flooding, or April snow showers bring anguish and depression! Hopefully it will begin to act like Spring pretty soon. Hey, no sooner than I finish writing this paragraph the weather has changed to sunny and warm! Go figure. Enjoy it while it lasts!

I want to thank everyone for attending the March meeting. Unfortunately I was out of town and had to miss it, but I heard it was very enlightening and it complemented the February seminar on Pressure Booster Packages. Thanks to Reid Crandall and BBC Pumps for sponsoring a fine luncheon! For this month, we have something special for you all. As you've probably noticed, Delta Faucets will be sponsoring this month's meeting and seminar. They will also be hosting the meeting at their Research and Development facility off North Meridian. They've been working on this program for quite some time so they can provide an educational, yet non-biased program for us. It is titled "The State of Innovation in the Plumbing Industry" and our presenters, among others will be Jason Kern and Bob Rodenbeck. More details are listed elsewhere in this issue. Another big departure for us as well as the location will be the time. This will be an after work meeting from 5:00 to 7:00 pm. I hope you all will be able to attend! It's been a while since Delta last hosted a meeting and I must admit it was very impressive.

I want to take a moment to congratulate our Evansville ASPE colleagues for putting on another successful Product Show! I know a lot of hard work went into putting this thing on. A special thanks to Brian Lowe and Mike Borman, and the many volunteers that made it possible! And we can't forget the our generous manufacturer's representatives and wholesalers. Be sure to read Sam's article for more details.

It won't be long until May is here and we'll be looking forward to attending our ASPE Member Appreciation event at the Indianapolis Motor Speedway on "Fast Friday". Hopefully you all know how special this event is since it's the 100th running of the Indianapolis 500 Mile Race! If you are a member and would like to attend, be sure to contact Pete Dervenis for tickets and passes. If you are not a member, you still have time to join ASPE and attend. More details are in this issue.

Also in May, the registration for the 2016 ASPE Convention and Expo opens up. You'll find information about the convention elsewhere in this issue. Keep an eye out for details in the ASPE Pipeline as well as the ASPE website.

One last bit of news... It is with a heavy heart that I inform you that Mike Bratton passed away on April 1st. Mike was formerly with B&W Plumbing & Heating and more recently with Circle Design Group. I got to know Mike very well while I was at Circle Design and I will miss him very much. Mike was a wealth of knowledge and experience. It was great to hear his stories from the contractor's perspective. On the behalf of our ASPE members, I would like to wish Mike's family our condolences.

I'll see you at the meeting.

Plumbing Engineers™

EVANSVILLE SATELLITE

Sam Schenk, CPD
President, Evansville Satellite
Chapter of ASPE

Hello Evansville ASPE!

Now that April is here I wish March would come back. The unseasonably cold April weather is putting a damper on spring. I'm looking forward to warmer weather and more time to spend outdoors.

The trade show was a huge success we had over 425 apprentices, instructors, and building officials that visited our manufactures. I would like to thank all 38 vendors for bringing their products and spending the day with us. I would also like to thank Jason Blondin, JATC Coordinator, with Plumber and Steamfitters Local 136 for hosting this event for the third year. This event would not be possible without the countless hours from all of the volunteers and ASPE board members. Special thanks goes out to Brian Lowe with Ferguson and Mike Borman with J.E. Shekell. Without these two, the trade show would not have been possible. Brian and Mike spent many hours and had numerous meetings to make sure the trade show would go off without a hitch. Well done guys!

Dann Holmes with NSF International gave us an in-depth look into NSF at last month's luncheon. The presentation was very informative and well attended. We look forward to having Dann back for another presentation in the future.

The April meeting will be held on Thursday, the 28th at 11:30 at Red Fez. The presentation will be on grease abatement options, passive grease interceptor, manual grease interceptors, automatic grease interceptors, sizing and when to use each type. The presenter will be Adam Hemminger with Highland Tank.

Members present will be entered to win a \$25.00 gift card at the meeting. Board members are not included so your odds of winning are good! If you're currently not a member, please contact John Buechlein for a membership application.

Dann Holmes
ASPE Region 2 Affiliate Liaison

In my article last month, I told you about “The State of The Society” video presentation by Mitch Clemente. I hope you had a chance to view it. If not, please visit this YouTube link to watch his ASPE video, <https://youtu.be/GrgEMxM792M>. There is a wealth of knowledge packed into one-half hour.

Left standing in the Sweet 16 round of the ASPE Chapter Membership Tournament, we have Philadelphia and Toronto. Eastern Michigan lost to Philly by just 0.68%. It is nice to know our remaining Chapters in contention are on opposite sides of the bracket. Philly takes on Kansas City and Toronto takes on Virginia Blue Ridge to enter the Elite 8. Come-on Region 2, we are rooting for you.

If you read, the recent ASPE Pipeline last week you might have read about a cat that slipped out of the bag prior to an official press release, so I can now inform you that ASPE and NSF International have signed an MOU. Under this agreement, both organizations will work cooperatively on many fronts and are very excited to give ASPE members access to so much new information. We can elaborate on this opportunity once the press release is official. Stay tuned.

I travelled to Evansville, IN recently to take part in the third annual joint ASPE-JATC trade show at the UA Local 136 training center. It was an incredible event. There were upwards of 425 apprentices, instructors, and building officials that visited our manufacturers.

Here are (L to R) Greg Farmer P.E. VP Tech and Samuel Schenk CPD and Satellite President.

Apprentices’ lining up to register and visit vendors.

I was honored to able to take part in this event. It was such a huge success; make plans to attend the fourth annual joint ASPE-JATC trade show in Evansville.

To top off the week, I was invited to present an In-Depth Look into NSF to our Evansville ASPE members. I count my blessings every day.

Regards,

You can reach me at:
Dann Holmes – ASPE Region 2 Affiliate Liaison
NSF International – Business Development Manager r2al@aspe.org or (734) 214-6222

Tech News Now:

Greetings,

First off Central Indiana ASPE would like to thank Reid Crandall and BBC Pump for sponsoring our March meeting. From all of the responses everyone in attendance thought this was very informative.

The April meeting is an EVENING event, sponsored by the Delta Faucet Company and Battersby Danielson and Associates it will be held at the Delta Faucet Headquarters in Carmel.

The meeting will start at 5PM and run until 7PM. Our speakers will be Bob Rodenbeck, Director, Research & Development for the Delta Faucet Company and Jason Kern, Commercial Sales Manager Delta Faucet Company.

The topic will be: The State of Innovation in the Plumbing Industry.

As always PLEASE plan to attend.

Thank You for your support of Central Indiana ASPE.

CENTRAL INDIANA - ASPE **MEMBERSHIP APPRECIATION DAY** **Indianapolis Motor Speedway**

TO: CENTRAL INDIANA – ASPE MEMBERS

Each Member's RSVP will be verified to ensure he/she is a current CI-ASPE member in good standing. This is a Members and Financial Supporters ONLY Event.

WHY: Because of your Gracious Support for the **Central Indiana - American Society of Plumbing Engineers**, we would like to extend a **“Thank You”** to you, by inviting you to join us for a fun and exciting day in one of the Suites at the Indianapolis Motor Speedway sponsored by CI-ASPE.

WHEN: **Friday, May 20th, 2016.** The IMS gates and Suite open at 10:00 am and close at 6:00 pm.

WHERE: **Indianapolis Motor Speedway TOWER TERRACE SUITE #26** - Located on the INSIDE of the track's main straightway. Watch the cars and action on the track and on pit row from the Suite or on the closed-circuit TV. Also available is an outside private seating area just steps away from inside the suite to watch the cars and action on the track. A limited number of Garage and Pit/Garage Passes will be available for your enjoyment. (Your DRIVER'S LICENSE and proper/appropriate attire is required to sign-up for either pass).

LUNCH: Catered by **Jug's Catering** from 11:30 am till 2:00 pm. Menu includes: Fried Chicken, Country BBQ w/ Buns, Seasoned Green Beans, Baked Beans, Cole Slaw, Biscuits w/ Apple Butter and Assorted Gourmet Cookies. Soft Drinks, Water and Beer will also be provided.

EVENT: This day is referred to as **FAST FRIDAY**. Fast Friday is the last practice day before Qualifying Pole Day. This is a very exciting day to watch the drivers and their crew search for the fastest speed they can get out of their cars.

RSVP: No later than **Monday, May 2nd, 2016** to Pete Dervenis at (317) 509-9831 or email (pdervenis@indy.rr.com). This is a **First Come, First Serve** Event as we are limited to the number of tickets available in the Suite. So, get your call or email in to Pete Dervenis ASAP.

Looking forward to seeing you there,

2015 – 2017 Board of Directors

2016 CONVENTION & EXPO

OCT. 28 - NOV. 2 | PHOENIX

Dear ASPE Chapter Leaders,

We are excited to announce that registration for the 2016 ASPE Convention & Exposition will open in May, and to get ready we have developed numerous marketing materials that you can use in your Chapter newsletter, on your website, in social media and emails, and at Chapter events. These materials can be found and downloaded at events.ntpshow.com/ASPE2016/Public/Content.aspx?ID=9372&sortMenu=103006. New materials will be added as they are created, so check the website often for the most updated information. We also will send an email when new materials are available.

Also included on the webpage is a Justification Toolkit that offers helpful tips on how to gain employer buy-in and attend the Convention & Exposition cost-effectively. This toolkit should be shared with all potential attendees to help them explain the professional benefits of attending the ASPE Convention & Exposition to their employer.

If you are planning on transporting local members to the Exposition via bus, ASPE is offering a \$500 stipend to help. The form is located on the same webpage as the marketing materials.

If you have any questions, please contact gpianta@aspe.org.

We look forward to seeing you in Phoenix!

April Meeting Preview

Course Description:

The State of Innovation in the Plumbing Industry

Speaker Bio:

Bob Rodenbeck

Director, Research & Development, Delta Faucet Company

With a background in the aerospace, security and plumbing industries, Bob Rodenbeck brings a diverse set of skills in engineering, product marketing and innovation to his leadership role as director of research and development of Delta Faucet Company.

Bob, who joined the company in 2002 to drive innovation for the Delta®, Brizo® and Peerless® brands, is responsible for managing a multi-disciplinary team tasked with developing breakthrough products at the convergence of unmet market needs and new technology. A number of the company's most groundbreaking products, including its touch-activated and hands-free kitchen and bath innovations, are a direct result of his leadership. He also conceptualized the valve technology used to create the unique faucet form introduced by the Jason Wu for Brizo Odin™ faucet. Bob also leads a significant amount of consumer-based research, including the company's annual Voice of the Consumer market study, which identifies new opportunities for market growth.

His work has led to multiple awards for Delta® and Brizo® brand products, including several Stevie Awards, an MVP award from Building Products magazine and an Edison™ award, which recognizes the leading talent in innovation. He holds a master's degree in management and a bachelor's degree in electrical engineering from Purdue University.

Jason Kern

Commercial Sales Manager, Delta Faucet Company

As a commercial sales manager for Delta Faucet Company, Jason Kern is responsible for all commercial sectors, including hospitality, multi-family and heavy commercial, within the Midwest territory. Jason works with numerous manufacturers' representative agencies to ensure that Delta Faucet Company's commercial sales grow. He joined the company in 2013 as a product manager within the bathing fixtures team bringing with him experience in sales and marketing. As a former National Sales Manager with SIGVARIS, Jason's experience with medical sales has helped him excel in his current position. Jason is a member of the American Society of Plumbing Engineers (ASPE) and a frequent Habitat for Humanity volunteer. He holds a Bachelor of Science degree from Purdue University.

Indianapolis March 2016 Meeting Photos

April Meeting Preview

Course Description:

Grease Interceptors

Topics of Discussion:

- Grease Abatement Options
- Passive Grease Interceptors
- Manual Grease Interceptors
- Automatic Grease Interceptors

Speaker Bio:

Adam Hemminger

Adam works as a sales specialist in Highland Tank's Grease Interceptor Division and has been there for three years. He works with engineers and End Users who are looking for top of line the grease abatement equipment. Adam is a member of ASPE and has presented to other groups and conventions for regulators, engineering firms, and end users.

Central Indiana ASPE Board Meeting

March 11, 2016

Attendees: Pete Dervenis, Gary Borgmann, George Russell, Frank Bruggner, Steve Hullett, Dan Cummins, Rick Dodd, David Townsend

Meeting called to order at 11:40 a.m.

Old Business

Bank account: Remains healthy. All outstanding invoices have been paid.

Membership Appreciation Day at the IMS: The suite has been paid for. Souvenirs have been purchased. Food has been purchased.

Website: Bugs are being fixed. Email addresses are updated.

Ft. Wayne: Meetings will be held a couple of times per year. These meetings will not replace the monthly CI-ASPE luncheons.

Logo Shirts: Materials and colors have been selected.

New Business

Membership Appreciation Day at the IMS: Should CI-ASPE secure rooms for possible Evansville-ASPE members who may want to stay the night after the Membership Appreciation activities.

The meeting was adjourned at 12:40pm

Respectfully submitted by:

George Russell, CPD
Corresponding Secretary
