AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

The dog days of summer are upon us and it's time for our annual ASPE Golf Outing on August 12th at Ironwood Golf club! If you haven't already signed and you want to join us, we still may be able to get you a spot to play. I'm sure it will be as fun as it has been in the past! This year is turning out to be our biggest yet! We have around 100 players this year and we'll have lots of cool door prizes too. We've also got a new competition that everyone will be able to participate in... a putting competition immediately following sign-in. This will have a cash payout for the lucky putter! So, don't be late signing in!

Next month we'll be starting up our monthly meetings again. Dan and I have been busy scheduling speakers and topics for the coming year. Look for the schedule of events elsewhere in this issue. It's tough coming up with new and inventive topics. Sometimes the topic is there, but no one to present them. If you have any thoughts for topics, don't hesitate to send our way. We'll try to find a speaker for it. As you may know, we held a technical luncheon meeting in Fort Wayne in June which was very well attended. We have another meeting scheduled for September 8th. Jeff Gallagher with Viega will be presenting at this one. Again, it will be held at Parkview Field in Fort Wayne. I should also mention that we have another Fort Wayne meeting scheduled for November 9th, and working on the details for another in January.

Enjoy the rest of your summer,

Dann Holmes
ASPE Region 2 Affiliate Liaison

Although we are in the dog days of summer, it is time to think about going back-to-school, college and the start of a new educational season by visiting your local ASPE chapter.

Most of you are aware each of the five ASPE regions holds their annual Chapter President's meeting in early June. I have been fortunate to attending these meetings since 2011. This year, the Cleveland Chapter was host to Region 2. It was a wonderful event. They showed some of the best Cleveland has to offer in a short time. They may have set a new standard for other chapters to emulate. Friendly competition amongst chapters is good for everyone.

Cleveland went to work on the manufacturers early to ask if they would be interested in sponsoring (supporting) the Region 2 Chapter Presidents Meeting. It sounded like a great idea! Why not, but like any good business decision one must ask "what's in it for me"?

Cleveland had the answer. Interaction! What would be better than to host a party, bringing everyone together into a social setting? This included reps, manufacturers, engineers, and presidents, V.P. technical, past presidents and their spouses.

The Cleveland Chapter made sure all sponsors were recognized. There were many. Here is the line-card listing them all. Our entire region thanks each and every one of them for their gracious support.

I would be remiss if I did not talk about the other great things we did in Cleveland. We attended an Indians baseball game with excellent seating that included access to unlimited food and beverages. Yes, we were walking. The game ended with a wonderful fireworks display.

After the game, many walked to a local bowling alley to indulge further into the areas entertainment.

The question now is what can we do as Region 2 to better support the companies that support us? We have some ideas and with any luck, we can reach out to these companies at a national level during the upcoming ASPE Conference and Expo in Phoenix, AZ.

The following day was all work that included additional acknowledgments from Keith Bush, CPD Region 2 Director. Two plaques were presented. The Pittsburgh Chapter was awarded for their outstanding educational training related to plumbing with the Boy Scouts of America. The Eastern Michigan Chapter for their work in opposition to an ongoing legislative effort by state officials not requiring annual inspections on residential backflow devices.

The bar has been set extremely high for The Eastern Michigan Chapter; they will be host to the 2017 Region 2 President's Meeting. Send in your suggestions now.

Tech News Now:

Greetings,

Your Central Indiana ASPE board has been hard at work filling the dates for the upcoming seminar season. We have every month filled EXCEPT September.

A few of the upcoming meetings that may be of interest, In March 2017 we will have Dean Illingworth from the State of Indiana to talk codes, in May 2017 Kevin Coyne with Concoa Gas Controls will be here to go over Medical Gas Valves. These are a few of what our members have asked for.

Please plan to attend as many meetings as possible. We can't do these without our Sponsors/ Vendors/ Rep's.

Please see the news letter for a complete list of presenters and sponsors for the 2016-2017 season.

Thank You for your support.
