**AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society**

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Once again, another ASPE Golf Tournament has come and gone! Thanks to Pete Dervenis, we held our most successful golf outing in our chapter's history! We had 116 players, give or take which tops last year's 100 players. Even with the help of all of our ASPE officers, we couldn't have done this without the help and contributions of our manufacturer's reps, colleagues and business owners. With that we thank you very much! I hope all of you that attended enjoyed a day out of the office hanging out with friends. It turned out to be a beautiful day once the clouds moved out. It was a little cool and windy, but fun none the less!

August will be over before we know it and it will be time for our monthly meetings to start up once again in September. We have our meeting/speaker schedule for the year nearly complete. Dan Cummins has been very busy putting together a great line-up for us. I have also been busy lining up speakers for the Fort Wayne folks, but could still use some help. If anyone would like to present a technical seminar in Fort Wayne, please contact me as soon as possible. You can find our schedule of speakers elsewhere in this issue.

Speaking of Dan Cummins... Dan has recently announced that he is retiring! Actually, his last day was Friday, the day of our Golf Outing! Dan has been a fixture in our industry for quite some time and has served on the Indiana ASPE Board for over 10 years. Dan has been with MMI (Manufacturers Marketing Inc.) for the past 17 years. Before that he was with Biggs Pump and Supply out of Lafayette for 15 years. Dan told me that Gary Mohr convinced him to join the ASPE Chapter Board back in 2006, he believes. We are so grateful that he did! Most recently, Dan has served as our VP Technical since June of 2015. This is one of the most difficult positions and Dan has done very well! Dan has been the guy responsible for setting up our technical presentations, for which he has done an excellent job! Finding speakers and interesting topics is a difficult job. We are going to miss ole Dan and want to wish him the best in his next adventure! Good Luck Dan!

I hope to see you soon,

Gary Borgmann, CPD

Tech News Now:

Greetings,

The Central Indiana ASPE lunch meetings are now complete and will be listed in the newsletter. We will start the September 21st meeting with Shawn Dunahue from Armacell. Shawn will be going over Thermal Properties, Condensation Control, and Code Considerations. Please plan to attend..

As of the end of August I'll be retiring my position as V.P. Technical. I have decided to retire from MMI and move on to other ventures. Thanks to the board and the engineering community, I'll cherish the relationships that have been made over the last 17 years.

Best of luck to all.

Dan Cummins
