**AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society**

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Happy New Year friends and colleagues! I hope everyone had a great holiday season! I do sincerely wish everyone a wonderful and prosperous 2017. Sandy and I started off our new year with a visit to Lieber State Park/Cagle's Mill Lake and Cataract Falls, which is just a little southwest of Indy. Surprisingly, I have never been to either of these places before and was pleasantly surprised! I'll see if I can include some photos in this issue. If you've never been, you should take a short drive out to see the falls. They are very impressive! We saw four eagles at the lake, two adults and two immature offspring of the adults. A very fun day!

We'll start off the new year with a luncheon tech session in Fort Wayne on Grease Interceptors on January 12th sponsored by Adam Hemminger with Highland Tank. Adam will also be presenting to the Indy crowd in February. Also in January, Matthew Denny with Aquatherm will present on Polypropylene Piping Systems. This luncheon will be sponsored by Aspinall Associates. More details are listed elsewhere in this issue. I hope you all will be able to attend!

As I mentioned in my previous article, on January 4th ASPE registration opened up for the CPD exam on April 6th & 7th. Exam Registration will close on March 24, 2017. Please refer to the ASPE website <https://www.org/cpd> for more details.

See you at the next meeting,

EVAN HOFFMAN

Sam Schenk, CPD
President, Evansville Satellite
Chapter of ASPE

Hello Evansville ASPE!

Happy New Year! After the warmest Christmas in years followed by the first snow on the year, I Believe winter has finally arrived!

You will want to mark your calendars to ensure you don't miss the next 5 meetings. From January through May, each member and non-member that attends at least 3 meetings will be entered in a drawing for a \$125 gift card! Everyone should have received the invitation for our January meeting. I hope to see you at the Red Fez downtown.

The committee is in the process of finalizing the date and details for our Spring trade show. I am sure it will be just as great as last years, so keep an eye out for an email with the specifics.

I would like to update you on the recent change to the Evansville ASPE board. Due to a career change, Brian Lowe was no longer able to remain Treasurer through his current term. At our December meeting Jacob Evans was elected as Treasurer to finish out the term. I think Jacob will do a great job and the transition should be relatively seamless. I would also like to thank Brian for his service as Treasurer. I know he will still be an active and contributing part of our organization.

Larry Fox, CPD
Past President, ASPE
Evansville

Some of you may not know but Brian Lowe is no longer with Ferguson. He has taken a job with Edward Jones financial advisors. Due to a conflict of interest, Brian will no longer be the treasurer for Evansville ASPE. Brian has been the treasurer since the beginning of our satellite chapter and has done a tremendous job! He also helped establish the annual ASPE-JATC Product Show. He has worked tirelessly to help make this one of our best fundraisers.

We will miss Brian and wish him the very best in his new career.

Thanks Brian for your hard work and dedication to Evansville ASPE!

Tech News Now:

Greetings,

We will start 2017 off with Matthew Denny and Aquatherm. The topic will be Polypropylene Piping for Pressure Systems. An outline of the program is in the newsletter. Thanks to Randy Vogt and Aspinall with their help to sponsor the January meeting.

Please plan to attend as many meetings as possible. We can't do these without our Sponsors, Vendors, and Rep's.

Please see the newsletter for a complete list of presenters and sponsors for the 2016-2017 season.

Thank You for your support.

Dan Cummins

Revit 2017 MEP Systems Full-day Workshops HVAC, Plumbing & Piping

January 24 - Oklahoma City, OK | **February 9** - Salt Lake City, UT
February 16 - Toronto, ON | **February 24** - Baltimore, MD | **March 9** - Indianapolis, IN
March 16 - New York City, NY | **March 30** - Seattle, WA

Start your year off right with these seven one-day intensive special workshops where you will get the whole day to be hands-on with Revit 2017 MEP taught by IMAGINiT Technologies.

This class is designed for mechanical / plumbing designers to help you get your Revit 2017 projects to the next level. If you want to know how to get the project started and understand how to maximize your workflow, this is the class for you. We will discuss how to get started properly to optimize your project workflow. You will be able to utilize Revit MEP to design a functional and graphically pleasing plumbing system.

Prerequisites:

Basic knowledge of Windows operating system and computer keyboard / mouse skills, Revit MEP fundamentals, and MEP design concepts.

Fees*

The registration fee* includes computer rental pre-loaded with Revit 2017.

- Early-bird ASPE Members \$375 (\$425 after)
- Early-bird Nonmembers \$575 (\$625 after)

Early-bird Nonmembers with 1 Year ASPE membership \$475 (\$525 after)** [Click here](#) to begin this registration process.

*First three workshops of 2017 early bird rate through 12/15/16 (Oklahoma City, Salt Lake City, and Toronto). Prices increase \$50 starting 12/16/16.

*Last four workshops of 2017 early bird rate through 1/15/17 (Baltimore, Indianapolis, New York City, and Seattle). Prices increase \$50 starting 1/16/17.

REGISTER EARLY!

**A one-year ASPE membership is \$190 for full members and is included with registration fee. Don't pass up this opportunity!

Important Notes:

- Limited to 8 people per day!
- CEUs: Earn 0.75 CEUs or 7.5 PDHs for attending
- **Onsite registration begins at 7:30 a.m. and starts promptly at 8:00 a.m. Arrive early!**

January Lunch-N-Learn Preview

Polypropylene Piping Systems

Course Outline:

- Production and Manufacturing Trends
- Potable Piping Systems
- Benefits of Engineered Plastics
- Environmental Footprint of Piping Materials
- Fire Exposure
- Fusion Joining Methods
- Engineering Considerations
- Green Building and LEED
- Reduced Liability in PP-R Systems
- Case Studies and Fields of Application

Speaker Bio:

Matthew Denny

Aquatherm Regional Sales Manager

Matt Denny has specialized in commercial, mechanical and industrial sales for over fifteen years. Matt is well versed with mechanical Hvac systems, i.e., chillers, cooling towers, etc. Matt is also well versed with the current plumbing piping systems available today. Matt is also an active member of ASPE and ASHRAE, attending and presenting at meetings regularly. Matt was an approved CEU instructor in the State of Ohio operating under Famous Enterprises. Matt has spent the last six years specializing in polypropylene pressure pipe (PP-R). Matt is a Regional Sales Manager for Aquatherm, a manufacturer of PP-R pipe and fittings. Matt is a certified Aquatherm Master Trainer and is also certified with McElroy fusion equipment.

Ft. Wayne January Lunch-N-Learn Preview

Grease Interceptors

Course Outline:

Grease Interceptors

- Sizing & Codes

- Interceptor vs Separator

- Types of Passive Grease Interceptors

 - Applications

- Interceptors in Series

- Types of Manual Grease Interceptors

 - Applications

- Types of Automatic Grease Interceptors

 - Applications

Speaker Bio:

Adam Hemminger

Sales Specialist-Grease Interceptor Division

Highland Tank & Manufacturing

Adam is a Sales Specialist for Highland Tank & Manufacturing's Grease Interceptor Division. Highland Tank manufactures Storage Tanks, Oil Water Separators, Water Tanks/Systems, and Passive/Hydro mechanical Grease Interceptors. Prior to becoming a Sales Specialist, Adam was an estimator for Highland Tank quoting their products to contractors, distributors, and customer. He has been a member of ASPE for two years now mostly attending meetings in Pittsburgh and Johnstown, Pennsylvania. Adam spends his time working on specifications with plumbing and mechanical engineers mainly in PA, OH, IN, WV, and KY.

**Central Indiana ASPE
will host another
Chapter Luncheon Meeting in
Fort Wayne, Indiana.**

Topic: Grease Interceptors

Sponsor: Highland Tank

When: January 12th

Where: Parkview Field, 1301 Ewing Street, Fort Wayne, IN 46802

Time: 11:30am - 1:30pm

Cost: \$15 (Sponsor will pay for engineers & designers meals)

The Indiana Chapter of ASPE would like to invite our industry colleagues in the Fort Wayne area to join us for this event. It is open to everyone, so invite your coworkers to attend this event. Our speaker, Adam Hemminger will be discussing Grease Interceptors, from codes to sizing and applications. We will be issuing Continuing Education Units (CEU's) to all that request them.

Please RSVP to Gary Borgmann at garyb2010mc@yahoo.com before December 31st if you would like to attend.
