AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Greetings everyone! Spring is fast approaching, but winter may still make a last stand to show us who's boss! We had a great turnout at our last meeting thanks to Adam Hemminger and Highland Tank! We really appreciate that he was so gracious to sponsor two meetings for our chapter in a three month period. In a country with so many codes and standards, it amazes me that so many states still have their own design standards for grease interceptor installations. Florida seems to be one of the most excessive, so if you have any work in that state, be sure to check on the local codes.

For our March meeting, we'll have Mr. Dean Illingworth, State of Indiana Building Law Compliance Officer with the Indiana Department of Homeland Security visiting us and sharing with us just how his department operates. The Department of Homeland Security is in charge of reviewing building plans, as well as instituting new building codes. Besides educating us on the workings of his department, Mr. Illingworth will be happy to answer any questions we have about plan review and inspections. I would ask that you not come with an ax to grind, but to be courteous and professional like the ASPE member you are. As mentioned before, if you have any questions you would like him to address during the meeting, please send them to Dan or me to forward on to him.

For our March Fort Wayne meeting, we will host a webinar courtesy of Jim LeStage with Holdrite. The topic of discussion will be on The Importance of Firestopping. Details are listed elsewhere in this issue.

I need to mention that our chapter set up a booth at IUPUI and Purdue for National Engineer's Week. David Townsend with the help of Frank Bruggner and Dan Cummins manned the booth both days. A special thanks to David for spearheading this project and putting together the booth displays. We will be setting up at more events in the future to promote our industry. By the way, March 11th is World Plumbing Day! Don't be afraid to remind people how important plumbing is to our public safety. Unfortunately there are areas in the world without indoor plumbing, no safe drinking water and no sanitary sewers. These countries still have very high mortality rates due to diseases that are easily prevented with modern engineered plumbing systems.

As I've mentioned before, ASPE registration is open for the CPD exam on April 6th & 7th. Exam Registration will close on March 24, 2017. Please refer to the ASPE website <https://www.org/cpd> for more details. And, the ASPE Revit workshop, I had the wrong date, it is on March 9th. Don't delay to sign up! You will be able to sign up the day of the workshop. One other bit of news... ASPE will be putting on a FREE webinar on March 8th at 2:00 pm. The topic is "Roof Drains: The Hole Story." Free to ASPE members that is! You can find more details at the ASPE website.

EVANSVILLE SATELLITE

Sam Schenk, CPD President, Evansville Satellite Chapter of ASPE

Hello Evansville ASPE!

The trade show is just under a month away and we still have a few booths available. If you are interested in registering for a booth, contact Jacob Evans. We will also be offering PDH's for time spent at the trade show. Be sure to grab an evaluation form at the registration table to get credit for the PDH's. We also need volunteers to help with registration and in the kitchen. Contact Jacob Evans or myself if you would like to help.

We had another great turn out last month for Vince Scirboni with Zurn/Green Turtle, who gave an informative presentation on grease management.

If you were unable to attend last month's luncheon, the Central Indiana and Evansville Chapters presented Larry Fox, previous Evansville ASPE President, with a retirement award. Larry was a pivotal part of the creation of the Evansville Chapter. Even though Larry has retired from his long career, I'm sure we can count on him to be involved in the chapter for many more years.

Only three more meetings are left to qualify for the \$125 gift card drawing! The drawing is open to members and non-members that attend at least 3 meetings between January and May, so please bring a co-worker or friend. Everyone should have received the invitation for our March meeting. I hope to see you at the Red Fez downtown.

Tech News Now:

Greetings,

Want to thank Adam Hemminger for his presentation on Grease Interceptors last month. Adam has made the rounds to Evansville, and Ft. Wayne, Thank you.

This month we will have Dean Illingworth from the State of Indiana, Dean will be going over code compliance, and will have answers to questions that I have received from our members.

Dean has quite an extensive background in our industry.

Please plan to attend as many meetings as possible. We can't do these without our Sponsors, Vendors, and Rep's.

Please see the newsletter for a complete list of presenters and sponsors for the 2016-2017 season.

Thank You for your support.

Dan Cummins
VP Technical, C.I. Chapter of ASPE

Joseph Q. Pindell

We are saddened to report that one of our long time colleagues and former ASPE member Joseph Q. Pindell passed away on February 25th, 2017. Joe was a character bigger than life and will be missed! Joe was one of the founding members, and the 'P' of P-M Associates. Joe and the late Fred Munds Jr. founded P-M back in 1974. Joe told me that he and Fred conceived the plan following one of the early Central Indiana ASPE meetings. Visitation was on March 5th with funeral services held on March 6th. If you would like to send condolences, donations can be made in his honor to the Catholic Youth Organization, 580 E. Stevens St., Indianapolis, IN 46203.

Membership Appreciation Day
Friday, May 19th, 2017

Revit 2017 MEP Systems Full-day Workshops HVAC, Plumbing & Piping

January 24 - Oklahoma City, OK | **February 9** - Salt Lake City, UT
February 16 - Toronto, ON | **February 24** - Baltimore, MD | **March 9** - Indianapolis, IN
March 16 - New York City, NY | **March 30** - Seattle, WA

Start your year off right with these seven one-day intensive special workshops where you will get the whole day to be hands-on with Revit 2017 MEP taught by IMAGINiT Technologies.

This class is designed for mechanical / plumbing designers to help you get your Revit 2017 projects to the next level. If you want to know how to get the project started and understand how to maximize your workflow, this is the class for you. We will discuss how to get started properly to optimize your project workflow. You will be able to utilize Revit MEP to design a functional and graphically pleasing plumbing system.

Prerequisites:

Basic knowledge of Windows operating system and computer keyboard / mouse skills, Revit MEP fundamentals, and MEP design concepts.

Fees*

The registration fee* includes computer rental pre-loaded with Revit 2017.

- Early-bird ASPE Members \$375 (\$425 after)
- Early-bird Nonmembers \$575 (\$625 after)

Early-bird Nonmembers with 1 Year ASPE membership \$475 (\$525 after)** [Click here](#) to begin this registration process.

*First three workshops of 2017 early bird rate through 12/15/16 (Oklahoma City, Salt Lake City, and Toronto). Prices increase \$50 starting 12/16/16.

*Last four workshops of 2017 early bird rate through 1/15/17 (Baltimore, Indianapolis, New York City, and Seattle). Prices increase \$50 starting 1/16/17.

REGISTER EARLY!

**A one-year ASPE membership is \$190 for full members and is included with registration fee. Don't pass up this opportunity!

Important Notes:

- Limited to 8 people per day!
- CEUs: Earn 0.75 CEUs or 7.5 PDHs for attending
- **Onsite registration begins at 7:30 a.m. and starts promptly at 8:00 a.m. Arrive early!**

Questions? Contact ASPE Education at 224-217-9016 or education@aspe.org.

Ft. Wayne March Lunch-N-Learn Preview

The Importance of Firestopping

Presentation Overview:

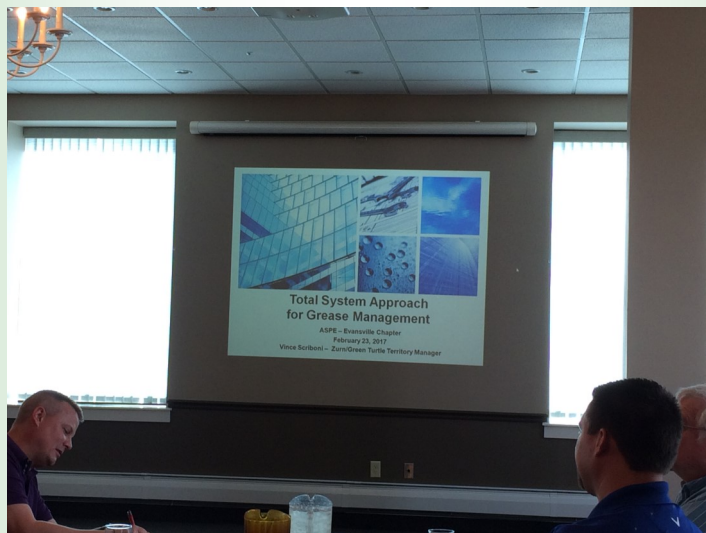

- Understand what firestopping is
- Understand the importance of firestopping
- Recognize the advantages of manufactured systems vs. built-in-place systems
- Be able to identify correctly applied systems
- Be able to effectively update plumbing specifications

Speaker Bio:

Jim LeStage

Jim currently holds the position of Specification Sales Manager at HOLDRITE®. Building on his past experience with HOLDRITE® as Head Estimator in new business development, and co-inventor of the rapidly growing HOLDRITE® #117 No-hub Fitting Restraints, Jim continues to make significant contributions to HOLDRITE®'s growth and success. Prior to his tenure at HOLDRITE®, Jim worked nearly 10 years in new construction as a plumbing foreman in Southern California. He successfully completed a variety of projects including the California State University Riverside Pierce Hall Science Building, the County of Riverside Forensics Laboratory and a variety of mid-rise multi-family housing projects. Jim holds a Bachelor's degree in Business Management from California State University San Marcos.

Central Indiana ASPE Board Meeting
February 10, 2017

Attendees: Pete Dervenis, Gary Borgmann, Frank Bruggner, Steve Hullett, Dan Cummins, Dave Townsend, George Russell

Meeting called to order at 11:30 a.m.

Old Business

Treasurer's Report: Pete reported that the bank account remains healthy and nothing is outstanding with A/P and A/R.

Membership Report: Dave reported we are recently down 6 members and that CIASPE stands at 94 while the Evansville Satellite stands at 23.

Dave also reported on our participation in the upcoming Engineers Week at Purdue and IUPUI. We have tables with draping secured, water bottles with our logo and scratch pads for handouts. We will be running a looping a PowerPoint on ASPE for viewing during the sessions.

There will be four meetings scheduled in 2017 for the Ft. Wayne area.

Dave reported that the website maintenance is progressing as time allows.

March dates are being considered for the Annual Board dinner.

Dan reported that all CEU certificates are up to date as of the last meeting.

New Business

Gary would like to start a monthly meeting attendance award drawing. The thought is to start with the Sept. '17 meeting and those that attend 6 out of the 8 meetings get the name in the hat for a chance to win \$200.

A discussion opened regarding our potential to provide some form of scholarship to a student(s) in need. Gary was invited to attend the ACE Mentorship banquet and this program has potential to be our avenue for us providing scholarship funding. Further investigation into details will be handled by Gary.

Next Board Meeting is 11:30am, March 10th at Enverity's office

With no further business being brought, the meeting was adjourned at 12:45pm.

Respectfully submitted,

Steve Hullett, CPMR
Administrative Secretary
