**AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

From the President:

I hope everyone has enjoyed the fall colors! Even though the weather has been iffy, at least we got some decent colors Now we can look forward to Thanksgiving! I really love the traditional Thanksgiving turkey dinner! Followed by a nice nap! Am I right!?!

Our October luncheon has come and gone, and it was as enlightening as I had hoped. Mr. Rutherford had a great presentation and brought up lots of good suggestions and helpful design solutions. Many thanks to Ken Rutherford and Amtrol for sponsoring the luncheon! And thank you to those who attended! For our November Indy ASPE meeting we have Kevin Flaherty with the Bradford White Corporation here to discuss "Government Regulations and How They're Affecting the Water Heater Industry". Kevin will go over the regulatory outlook and what rules were implemented in 2016, and what is on the table for the future. More details about our November luncheons are listed elsewhere in this issue.

For our Fort Wayne colleagues, on November 9th we'll have Larry Kilian with The Haws Corporation speaking about "The Hidden Risks In Emergency Response" and how to prevent injuries. He will also go over the impact of proper first-aid, ANSI Standards and improving reliability. All of our ASPE programs are CEU certified, so if you need CEU's, this is a good way to get them.

We've recently had some big changes with your ASPE Chapter Officers... Of course you should already know that Dan Cummins (VP Tech) retired in August. And in October Steve Hullett announced his retirement. Steve was our Administrative Secretary and has served in that position since June, 2013. Steve has served on the board in the past as well. Many thanks to Steve, and Dan for their years of service on the board! We wish them both well in their retirement. So, with these vacancies we have had to appoint new board members... Bryan Lee with Aspinall Associates has taken over the VP Tech position. Sorry Bryan for throwing you to the wolves! And recently Joe Azbell with Battersby Daniellson has joined the board to help out as our Affiliate Liaison. Thank you Bryan and Joe for volunteering to help! Looking forward to working with you.

I hope to see you at the next meeting,

Gary Borgmann, CPD

Sam Schenk, CPD
President, Evansville Satellite
Chapter of ASPE

Hello Evansville ASPE!

It's hard to believe football season is halfway over and the holidays are right around the corner. With only six weeks till Christmas, I hope everyone can take a break from our busy schedules and slow down to enjoy time with our loved ones.

Starting in January our PDH certificate procedure will change. ASPE members will still receive PDH certificates. Nonmembers can request a certificate for a \$10.00 fee.

We will also be giving a door prize away at each meeting for members starting in January. The door prize will consist of vendor donated items.

Anyone joining the Evansville ASPE chapter between November to June will be entered into the drawing for a gift card valued at \$190.00 (annual membership cost). The winner will be announced at the golf outing.

Due to Thanksgiving our monthly meeting will be pushed back one week to December 7th. Please keep an eye out for the email detailing the topic and presenter.

Make sure you read Larry's blog in this month's newsletter. It sounds like he is really enjoying retirement.

Thanks,
Sam

EVANSVILLE SATELLITE

Larry Fox, CPD

**Historian, Evansville Satellite
Chapter of ASPE**

Most of you know by now, I am retired and enjoying the fruits of my 46 years of labor. My wife says that if I don't quit spending money I will have to go back to work! I will remain active in ASPE and currently still on the Board (till they kick me off). The one word that comes to my mind when I think about retirement is LIBERTY. The Freedom to sleep-in every morning and not have to wake up to a stupid alarm. The Freedom to choose what you do each day without having someone to tell you what to do (excluding my wife).

In retirement, the week consists of 6 Saturdays and Sunday. It is important to stay active and busy with a hobby or passion. I have been busy this past summer working on upgrading my landscape beds and creating new ones. That is just one of my passions. When I get the opportunity, I go golfing or fishing with my friends.

My wife and I joined the YMCA and exercise 3-4 days a week. It is important to stay in shape as we grow older. We just got back from a trip to The Smoky Mountains and are planning on going to Florida in January to join the Snowbirds.

LIFE IS GOOD,

Larry Fox

Meeting called to order at 11:40 a.m.

Treasurer's Report

- Accounts are in good standing.
- Advertising payments still coming in
- Only 2 outstanding invoices remain on 2017 golf outing
- Pete has researched for the best cost for new ASPE shirts
- Disaster Relief Donations – It was previously decided that \$500 will go to The American Red Cross and \$500 to the newly created ASPE Disaster Relief fund for ASPE members. We will also donate to Gleaner and the Wheeler Mission, which will not go toward our award of merit credits.

Website Maintenance

- Website is up and running with our new host.
- Some links are not working (membership application)
- David is working on written directions for web maintenance for chapter officers

Ace Mentoring

- In a previous meeting it was discussed contributing to a scholarship for those going to school for industry related careers. Michael Henderson, currently an ACE mentor informed the board that scholarships are typically \$4,000. Sponsoring a banquet table at their yearend event was \$1,000. It is also an option to have a side table for our chapter to promote ASPE. The board needs to decide which direction to contribute.

- Gary informed the group that all officers need to watch their respective training videos and review the P&O manual for a description of their duties.

New Business:

- Michael Henderson was introduced as Steve Hullett's replacement as Administrative Secretary.
- Other new appointments – Joe Azbell has been appointed to the position of Affiliate Liaison vacated by Bryan Lee when he took over as VP Technical.
- Board meeting attendance – Gary asked what days work best for everyone? Michael said Friday's and Mondays are not good for him. Everyone else in attendance had no conflicts with Fridays.
- New ASPE shirt selection – Blue short sleeve polo shirts were selected.
- New officer photos were taken of those in attendance for the website – Take photos of the others at Nov. board meeting.
