**AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society**

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

From the President:

I hope everyone enjoyed their thanksgiving holiday. It's always a good time to spend with family and friends. We have around 68 people and kids in my family, so it's pretty exciting and raucous at times. It's a great family though and I love them all! Looking forward to the Christmas holiday season!

Thanks to Michael Lambert and Battersby, Danielson, Azbell we had a great lunch-n-learn for our November meeting! We had a great turnout with 34 attendees. Michael did a great job going over pump hydraulic fundamentals and selections for all of us. It was a great refresher for me and I'm sure everyone else. Thank you Battersby, Danielson, Azbell for sponsoring our November meeting! As you may know, we do not hold a meeting in December, so we will look forward to seeing you in January when we'll have Rick Kaestner with Absolute Water Technologies presenting on **Water Quality for the Central Sterile Service Department**.

Also, at our November meeting in Fort Wayne, we had Glenn Rose presenting on ANSI Z358.1 and the relationship to OSHA which sounded interesting. We need to get him to present to the Indy crowd sometime soon. Thanks to Glenn, Stingray Systems, and Arrow Sales for sponsoring the November technical luncheon! The Cope Company will sponsor the January Fort Wayne meeting on **Solutions for Ionic Exchange Systems**.

At the November meeting we also announced the winners of the Membership Contest! Reid Crandall won the \$200 Grand Prize, David Townsend won 2nd place with a \$100 prize, Pete Dervenis 3rd place at \$50, and me (Gary Borgmann) 4th place at \$25. Thanks to everyone who participated! Don't feel left out... We plan to hold another membership contest for 2019. David will let you know the details.

In case you haven't had a chance to read the board of directors meeting minutes yet, this time of year we make donations to several charities. This year we donated \$250 to Gleaners Food Bank, Red Cross of Indiana, Wheeler Mission, and Water Is Life (Fishers Rotary Club). As a chapter, we feel it is very important to give back to our community and this is just one little way of doing this. If any of you are involved with Habitat For Humanity, please let me know. We would like to be more involved with their programs, and maybe put together a team of volunteers for the coming year.

On behalf of the Central Indiana ASPE chapter of-ficers we want to wish everyone a safe and happy holiday season!

See you at the January meeting,

Gary Borgmann, CPD

The Holidays are upon us, let us give thanks

It is that time of year when we reflect on just how much we have to be thankful for. We give thanks for our families, friends, military, police, fire, all first responders, our professional career and employers.

I'm almost tempted to add our government officials to this list but I'm going to reserve my thanks until the politicians, mostly Federal, State and Provincial realize they are supposed to serve the citizens of our great nations' best interest over their own.

We have to be grateful for the roofs over our heads and the indoor environments we can control with the turn of a dial. When we need some heat we turn up the thermostat. If you're too warm, we adjust the temperatures down. Of course, there is an app for that to make things simpler.

When we want a drink of fresh, clean, potable water we just walk over to the nearest faucet or drinking fountain. Or we reach for a bottled water. Rarely do we give such common luxuries second thought.

Travel around the world and see how quickly things we take for granted here in the USA and Canada change. Are you going to fill up a glass of water from any tap? Maybe the first day, probably not after that, especially if you're suffering from stomach cramps and intestinal "irregularities".

So as you take a look around the room you're sitting in right now, consider yourself truly blessed and let's continue to find ways to spread what we have learned delivering clean, potable water to our friends and neighbors in North America to everyone around the globe. If we can get help from the self-absorbed politicians that don't ask "what's in it for them before they act" then I'll be the first in line to thank them too. I won't hold my breath.

Tech News Now:

Greetings,

We would like to thank Mike Lambert of Battersby, Daniels, Azbell and Associates for presenting at our November meeting. Mike's presentation on "Pump Hydraulics" was very informative.

We will be taking a break from our normal schedule in December to enjoy the holidays. All of us on the ASPE Board wish you a very Merry Christmas and a Happy New Year.

For our January meeting we will be joined by Rick Kaestner of Absolute Water Technologies. Rick will be presenting on "Water Quality for the Central Sterile Service Department". We welcome Rick to present to our local ASPE chapter and look forward to hearing the information he will share with us.

Alfred Steele Scholarship

Congratulations 2018 Scholarship Recipients!

- Miya Preston, who attends the Milwaukee School of Engineering, has a 3.0 GPA, and is majoring in Architectural Engineering, received \$2,000.
- Sarah Wood, who graduated from Thunder Basin High School with a 3.87 GPA and will attend the University of Wyoming to major in Mechanical Engineering, received \$500.
- Jonathan Capua, who attends the University of Alaska–Anchorage, has a 3.475 GPA, and is majoring in Civil Engineering, received \$1,500.

Want some help getting your degree in engineering? Apply for the ASPE Alfred Steele Scholarship. Up to \$3,000 in scholarship monies may be awarded each year to qualified applicants. The Deadline is January 31!

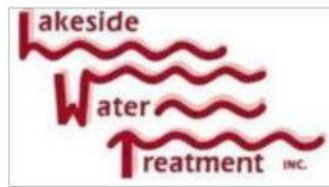

The Alfred Steele Scholarship is limited to ASPE members and their immediate families who have a GPA of 3.0 or higher who are in or plan to attend a college, university, or technical school on a full-time basis (minimum 12 credit hours), enrolled in an engineering program.

This scholarship is named in honor of Alfred Steele, PE, a long-time member of the American Society of Plumbing Engineers and a visionary and pioneer in advocating education and professional development for plumbing engineers and designers.

Follow the link to the ASPE website and download your scholarship application form.
