**AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society**

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

From the President:

From the President:

Hello everyone! I hope things are going well for you! We had a great tech session in February. Jack Wintrow gave a very educational seminar on water treatment with regard to value engineering. One item to keep in mind, if your softener tank is 30" or larger, steel will probably be more cost effective. It was also interesting to learn that water with zero hardness is not really as corrosive as previously thought. The PH is more important to watch with low hardness water. Anyway, thank you to Jack and Culligan for sponsoring another luncheon seminar for us.

For our March 15th meeting we have Laura Simons with Charlotte Pipe speaking to us about Cast Iron and PVC Piping and how to get the best value on your projects. Laura is their Field Tech Service Representative for the Mid-Atlantic States including Indiana and Ohio. You can see her full bio along with the program outline elsewhere in this issue.

Our March 8th Fort Wayne meeting will have Royce Hams with Grundfos teaching us all about pump hydraulics. There's always room for a refresher in pumps. His PowerPoint looks very technical, so this one will be very educational. Again, more information can be found elsewhere in this issue. Unfortunately, by the time you get this, it may be too late to plan to attend. Either way, I hope to see you at one of the next ASPE meetings!

Be sure to check our calendar for a list of events coming up. Among other things, we'll be hosting a Membership Appreciation event on May 5th at Victory Field. Pete's working on those details, but we plan to have a specific area just for our group. This will be a family event, so mark your calendars. Also, we are working with Delta to set up a program and tour. We'll have more info later.

See you at the next meeting,

Gary Borgmann, CPD

Chapter of ASPE

Hello Evansville ASPE!

The trade show is just under a month away and we still have a few booths available. If you are interested in registering for a booth, contact Jacob Evans. We will also be offering PDH's for time spent at the trade show. Be sure to grab an evaluation form at the registration table to get credit for the PDH's. We also need volunteers to help with registration and in the kitchen. Contact Jacob Evans or myself if you would like to help.

We had another great turn out last month for *Robert Ciffizzari.*, who gave an informative presentation Rain Harvesting components and Storm water management on grease management.

Only three more meetings are left and we are still doing a monthly drawing. The drawing is open to members and first time attendees, so please bring a co-worker or friend. Everyone should have received the invitation for our March meeting "What to keep in mind when selecting materi-

Speaker Bio:

Laura Simons

Laura Simons is a Field Technical Service Representative at Charlotte Pipe and Foundry. Her primary objective is to address technical issues from design engineers regarding cast iron soil pipe and thermoplastic piping systems. She covers the MidAtlantic states along with Indiana and Ohio. Laura has a Bachelor's Degree in Civil Engineering from Florida Atlantic University. She lives in Marlton, New Jersey with her husband and daughter. In her spare time she practices jiu jitsu and rides her Harley Davidson.

Tech News Now:

Greetings,

Spring is nearing and hopefully we are through the worst parts of winter. I am sure everyone is looking forward to shaking of the cabin fever and start enjoying your favorite outdoor activities. All of us look forward to seeing you at our upcoming events this spring and summer.

A special thanks to Jack Wintrow with Culligan for sponsoring our February meeting, as well as presenting a great program on “How to Value Engineer Softening Systems”.

For our March 15th ASPE meeting, Charlotte Pipe will be our lunch sponsor with Laura Simons presenting on “Value Engineering for Cast Iron Soil Pipe and Plastic Piping Systems”. I hope you will be able to join us for a great presentation and comradery.

See you at the March meeting!

Meeting called to order at 11:35a.m.

Old Business:

Treasure's report: Pete Dervenis

- ASPE HQ has decided to pay all back dues in one lump sum.
- Pete sent Evansville their dues rebates.

Website – update: David Townsend

- David will add a note on the website that if anyone wants a full version of any of the pictures, they can request it through email.

Membership report

- Down to 91 members.
- Older members are retiring and new younger engineers are not joining.
- Joe Azbell has offered his suit at the track for a membership drive.
- Frank suggested top golf for a membership drive.

AYP Committee report

- 12 CI-ASPE members qualify for AYP. Of those 12, 5 will no longer be eligible within the year.

New Business:

VP Membership

- Engineer's Week (Feb19th – 23rd) – Due to project deadlines and everyone's busy schedules we weren't able to plan any events. Start planning for 2019 early.
- World Plumbing Day March 11th – David will see if we can schedule anything for that week.

VP Legislative

- Gary asked Frank to contact Indiana Code Officials to check on any code updates.

VP Technical

- We need to start setting up speakers for the 2018 – 2019 year.
- Gary asked Pete if we have a rescheduled date for the ASPE/Delta Tour event. Pete to follow-up.

2018 Golf Outing

- Pete reported the date is set for Friday Aug 3rd at Ironwood Golf Club. They informed Pete that the courses are being improved on. Those in attendance asked about playing on "The Ridges" course. Pete will see if that's possible. Others suggested Prairie View to consider for next year.

Board Member Appreciation Dinner

- Gary asked for suggestions for date and location

Respectfully submitted by

Gary Borgmann & George Russell
