AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

From the President:

Can you feel it?! Spring is around the corner! As you will see Pete has been working on securing a suite for the May Membership Appreciation event at the track, so look elsewhere in this issue for more info. We are also considering another event at Victory Field for one of the Indian's games, so stay tuned!

The February meeting on Water Hammer was well attended and very informative. Thank you Jake Ismert and Mike Meagher for sponsoring our luncheon meeting and doing a great job presenting and educating everyone on the do's and don'ts of water hammer design and installation. One interesting thing I learned, thanks to Pete Dervenis... The cost of the larger arresters can be prohibitive, so to save a little, one can install two smaller units along the manifold for these applications. Of course they both must be sized accordingly. If you need help with sizing, give Jake a call and he can help you out.

Our **Fort Wayne** meeting for **March 14th** will probably have already happened by the time you read this. The topic is **Hot Water Recirculation**. Michael Lambert and Battersby Danielson Azbell sponsored this one. See elsewhere in this issue for more information. If anyone would like to be added to the mailing list for these meetings, please email me and I'll take care of it.

The **Indy March** meeting will be on the 21st. The topic is "**The Art of Water**" sponsored by Elkay and presented by Jim Montgomery. The program will go over the challenges of water delivery and the benefits of water fountains and bottle filling stations, not only to the user, but also the building owner. It will also touch on the future of water delivery. As always, we are offering CEU's to all members for free. Non-members however will have to pay \$15. A good reason to become a member of ASPE!

We are still looking for a sponsor for our **May** luncheon on the **Hunter Curve**. Tim Wolfe and his colleagues will be presenting a shortened version of their tech session they presented at the 2018 ASPE Convention, which I attended and was very impressed with. I'm sure you will too! We are also looking for sponsors for our 2019 – 2020 technical luncheons. If you would like to sponsor a program, or have a suggestion for a program, please notify me, or Bryan Lee and we'll try to arrange it.

May also brings about our elections for chapter officers. You will find in this issue the current list of those running, but if you would like to serve on the board in any position, please let me know and we'll include you on the ballot.

We are currently running our **membership contest**, so now would be a great time to take advantage of the deal! David has the details posted elsewhere in this issue. Remember, there are cash prizes to be earned by participating. We are also offering a **50% Rebate** on all new memberships! That's a \$95 savings with a membership costing only \$95! This applies to those who have let their membership's lapse for over a year. We want you back!

See you at the March meeting,

Gary Borgmann, CPD

Membership Appreciation Day Friday, May 17th, 2019 Indianapolis Motor Speedway

Attention Central Indiana, Evansville and Ft. Wayne ASPE **Members...**

Your CI-ASPE Board of Directors is planned an exciting day in a Suite (Gasoline Alley #516) at the Indianapolis Motor Speedway for You (our Special Member). If You are interested in attending this event, please contact Pete Dervenis at (317) 509-9831 or email: pdervenis@indy.rr.com as soon as possible. We have a total of 80 tickets and they will go fast. You really don't want to miss out on this Event. It is our way of saying Thank You for being a Local ASPE Member and Valued Supporter. All inquiries will be verified of your Membership status. Hope to see you at the track.

Please Note: this Event is for our Members ONLY!

PROFESSIONAL DEVELOPMENT

Featured Training:

ARCSA Rainwater Catchment Systems Installer Workshop

March 20-21, 2019

Azusa, CA

This two-day professional workshop is an in-depth rainwater catchment systems installation course that provides the 16 hours of subject-specific training required to sit for the [ASSE Series 21110 Rainwater Catchment Systems Installer Certification](#) exam. The workshop combines 4 hours of in-classroom work with 12 hours of **hands-on field work**. Workshop participants will also work through (in the form of an in-class activity) a real-life rainwater catchment system scenario prior to the field work. The field work will entail the review and assembly of five types of rainwater catchment projects.

Indianapolis March Lunch-N-Learn Preview

The Art Of Water: Solving Water Delivery Challenges With Bottle Filling Stations:

Program Outline:

- In the pursuit of increasing sustainability efforts for a positive impact on the environment, more bottle filling stations are being put into building design specifications. Learn how bottle fillers help to conserve energy, while encouraging the use of reusable bottles to minimize disposable plastic bottle waste in the environment.

Speaker Bio:

Jim Montgomery

My name is Jim Montgomery and I work on the technical field support team for Elkay Manufacturing. We have been working with this team for about a year and a half and we travel the country doing presentations like this, training universities and schools, and calling on architects and engineers. I graduated from Illinois State University in 2012 with a business degree and I have been with Elkay for 5 years and have worked in customer service, sink sales, and ecommerce.

CENTRAL INDIANA

Ft. Wayne March Lunch-N-Learn Preview

Understanding Hot Water Recirculation

Program Outline:

- Benefits and Basics of Hot Water Recirculation
- Understanding the Math of Flow & Delta T
- BTU Calculation and Sizing for Commercial Systems
- Why Expansion Tanks?

Speaker Bio:

Mike Lambert

Mike has spent 16 years in various roles from contractor, wholesaler and manufacturer. He has spent those years designing, installing, commissioning and troubleshooting various HVAC & plumbing projects, including his specialty of radiant & snowmelt projects. In his current role at BDA, he works with engineers, contractors and wholesalers around Indiana on everything from water heaters/boilers, faucets, pumps, PEX-A tubing and just about anything else that touches water. Mike is based in the Indianapolis market.

March 21, 2019 MEETING ANNOUNCEMENT

This month we will be talking about *Rethinking Pipe Protection*. Join us for this month's Evansville ASPE meeting.

WHAT: Rethinking Pipe Protection by Sterling Washington & Julie Koo
WHERE: Red Fez, 6 Walnut Street, Evansville, IN ([click here for a map](#))
WHEN: Thursday March 21, 2019; 11:30am CST
LUNCH: Lunch is FREE for ASPE members, engineers and designers compliments of IOREX USA; for all others, lunch is \$15.

OUR PRESENTER:
Sterling Washington & Julie Koo

PRESENTATION TOPIC:
IOREX: The Total Water & Pipe Protection Technology
I. Technology: How IOREX works

II. IOREX Applications

- A) Cooling Towers/Chillers
- B) Boilers
- C) Buildings
- D) Municipal Water

Join us for our discussion about *Rethinking Pipe Protection*. Mark your calendar, bring a colleague and join us March 21, 2019. Please **RSVP** as soon as possible to President Sam Schenk at Schenk@bcclt.com or (812) 423-4407.

CONNECT 2019

MEMBERSHIP DRIVE

FEBRUARY 1ST - AUGUST 31ST
 All central Indiana ASPE Members are eligible
 to participate

Top four point earners will win!

First Place	\$200.00
Second Place	\$100.00
Third Place	\$50.00
Fourth Place	\$25.00

EARNING POINTS

Recruit a Student Member (High School or College Student)	1 Point
Recruit any Past Member	2 Points
Recruit any New Member (Over Age 35)	3 Points
Recruit any New Member (Under Age 35) (Excludes Student Members)	4 Points

* Member Recruits are to be sent to David Townsend, Membership VP at dtownsend@deemfirst.com, prior to the member being signed up to be counted toward your total. The Membership VP will keep the official membership drive tally. Awards will be presented at the September 2019 Chapter Meeting. Winners should be present to receive prize.

**Central Indiana ASPE
will host another
Chapter Luncheon
Meeting in Fort Wayne,
Indiana.**

Topic: UNDERSTANDING HOT WATER RECIRCULATION

Sponsor: Battersby Danielson Azbell & Assoc.

When: March 14, 2019

Where: Parkview Field, 1301 Ewing Street, Fort Wayne, IN 46802

Time: 11:45 am - 1:15 pm

Cost: (Sponsor will pay for all meals)

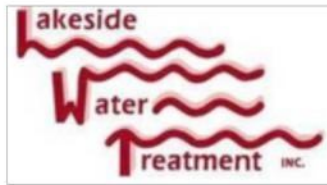

The Indiana Chapter of ASPE would like to invite you to join us for another luncheon technical session. It is open to everyone, so please invite your coworkers to attend this event. Mike Lambert with Battersby Danielson Azbell & Associates will go over the benefits of recirculation, understanding the math, and sizing. Continuing Education Units (CEU's) will be issued to all that request them. We hope you can attend and even consider becoming an ASPE member.

Please RSVP to Gary Borgmann at garyb2010mc@yahoo.com before March 11th if you would like to attend.

New Membership Options

We are pleased to announce some new membership initiatives to help you make the most of your ASPE membership. Please see descriptions of these initiatives below, or for more information, contact the **Membership Department** at membership@aspe.org.

Multi-Year Membership Renewal

Now you can save on your ASPE membership dues if you join or renew for more than one year. Current and new members will get a 5% discount for a two-year renewal and a 10% discount for a three-year renewal. Thus, members opting to join or renew for two years would pay \$361 for both years, representing a \$19 discount, and members opting to join or renew for three years would pay \$513 for three years, representing a \$66 discount. You can renew online at aspe.org/MembershipRenewal.

Early Renewal Discount for First-Year Members

After you join ASPE for the first time, you can ensure continued membership benefits at a discount by renewing early. Any first-year member who renews by the end of the eighth month of their membership will receive a reduced dues amount of \$170 for the second year, therefore saving \$20 by renewing early. Eligibility guidelines for this discount follow:

- Only those who joined after July 1, 2018 are eligible.
- Only 125 members per quarter can take advantage of this offer on a first come first serve basis.
- Renewal must be done online at aspe.org/MembershipRenewal.

Multiple Chapter Affiliation

Did you know that you can be a member of more than one ASPE Chapter? You can! Here's how it works:

- The first Chapter affiliation is the standard dues of \$190.
- Additional Chapter affiliations are \$80 per Chapter. There is no limit to the number of Chapters with which a member can affiliate.
- The member must designate a Home Chapter.
- Regardless of the Home Chapter affiliation, the member can serve on the Board of Directors for any Chapter with which the member is affiliated.
- However, the member can only serve as a Convention Delegate for his/her Home Chapter.
- Members affiliating with multiple Chapters will receive only one Plumbing Engineering Design Handbook (PEDH) per year when renewing.

Contact the **Membership Department** at 847-296-0002 for more information or to affiliate with multiple Chapters.

Questions should be directed to membership@aspe.org.

Viega MegaPress® Stainless
Original innovation — new choices

viega.us/mpstainless

Advantages of MegaPress Stainless for IPS

- Approved for use with Schedule 10 and Schedule 40 pipe
- Viega Smart Connect® feature makes unpressed fittings easy to detect during pressure testing
- No risk of fire or smoke and no cool-down required, so fire watches or hot work permits are not needed
- ASME approvals: B31.1, B31.3, B31.9
- Fitting sizes ranging 1/2" to 2"

Viega. Connected in quality.
