AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

David Townsend, CPD
President, C.I. Chapter of ASPE

From the President:

Happy Autumn to you all! Fall is my favorite time of the year especially with the cooler temperatures and the lower humidity. In case you weren't aware, we started up our Fall Session of the Chapter ASPE Meetings last month. We had a great turnout and even saw some new faces at the meeting. Thank you for all that attended. Thanks to Dave Brown with Anderson Process for sponsoring the meeting and his colleague for the technical presentation of filtration. In October you will have two opportunities to attend chapter meetings. Since this is an off month for the Fort Wayne meeting, you can attend the Indianapolis meeting on the Third Thursday or the Evansville meeting on the Fourth Thursday this month. Speaking of technical sessions, The ASPE Technical Symposium is quickly approaching. The symposium will be held October 24th – 27th in Pittsburgh, PA this year. If you are in need of Continuing Education Credits, this is your "go to place" ASPE is offering 40 different sessions plus a product show over the one weekend symposium. You can find further information on the Symposium on the ASPE website, www.ASPE.org.

At the September meeting we presented the prizes to the first through fourth place winners of the chapter membership drive. It pays to promote ASPE and recruit members to our chapter during these membership drives. Keep a look out in the newsletter for announcements on future membership drives. We are excited that our chapter keeps growing and that we are gaining new members in the (AYP) category that can keep our chapter continuing years down the road.

We are looking for chapter meeting topics for 2020 meetings. If you have a specific topic that you feel would be beneficial to the chapter, please send that to Bryan Lee, VP Technical, so he can try to make the meeting happen.

I mentioned this in last month's newsletter, but I will restate it once again this month. It has been brought to our attention from the Society Board that attendees at other chapter's meetings have been taking photographs of the technical presentation and using those photos in other presentations without permission of the originating presenter. I haven't seen this taking place in our chapter meetings; however, we are to make it known to the attendees. The Society Board has provided the following statement that we are to insert at each meeting:

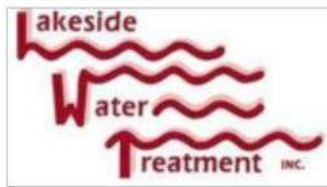

"All content displayed at ASPE meetings is copyrighted. No one may copy any part of it without permission of the copyright owner. Violation of this rule can lead to monetary damages."

I am sure all our attendees can and will follow this simple rule/copyright.

Until next month,

David Townsend, CPD

Tech News Now:

Greetings,

We had a great showing for our September meeting. It is great to see the support of all our ASPE members. Thank you to Dave Brown of Anderson Process for his presentation on filtration systems.

For our October meeting, we welcome Matt Deny of Aquatherm. Matt will present to us the benefits of "Polypropylene Piping Systems." This is a topic that will benefit many of you in your design of piping systems for a variety of applications including potable water as well as heating and cooling systems. We hope to see all of you there for this very interesting topic.

Please plan to attend as many meetings as possible. It is the support of all of you that drives us. If you have a topic you would like to hear, or think would be of interest to our group, please let me know and I will do my best to set it up at one of our future ASPE luncheons.

Thank you all for your support!

Bryan Lee

USGBC LEED v4.1 Technical Workshop
IUPUI Campus Center, Indianapolis, IN
Thursday, October 10th, 2:00pm - 5:00pm EDT

This workshop will provide participants with a look into LEED v4.1 BD+C, ID+C, O+M and the information needed to pursue certification. The focus will be on understanding the goals and outcomes of the LEED v4.1 beta. The newest update to the LEED rating systems, LEED v4.1, addresses lessons learned from LEED v4 project teams, updates performance thresholds and reference standards to ensure LEED remains a global leadership standard, and expands the marketplace for LEED..

During this half-day workshop, USGBC's technical staff will walk participants through LEED v4.1 BD+C and ID+C credits including a restructured Materials and Resources section, the addition of a greenhouse gas emissions metric and updated thresholds. The workshop will also touch on the full life cycle of the building, by reviewing LEED Operations and Maintenance and recertification options available to projects and how BD+C and ID+C credits are structured to support ongoing performance.

The course is approved for 3 LEED Specific BD+C, ID+C, & O+M CEUs from GBCI.

Central Indiana-ASPE September Luncheon

Indiana Association of Building Officials

Good Morning all,

On September 22nd, 2019 at our annual business meeting we held our election for the 2020 executive board and district directors. Listed below are the results. Those listed in red were not up for election this year.

President - Shad Paul - City of Huntington
1st Vice President - Chuck DeWitt, Marshall County
2nd Vice President - Mike Popich, City of Indianapolis
Secretary / Treasurer - Craig Wagner, Whitley County
Immediate Past President - James Straws, City of Wabash

District 1 - Brandon Stigner, South Bend St. Joseph County
District 2 - "will be open in January"
District 3 - Jim Gerstbauer, Monroe County
District 4 - John Caywood, Allen County
District 5 - Brent Liggett, City of Carmel
District 6 - "Still Open"
North at Large - Stephen Bray, City of Elkhart
Central At Large - Bob Bullock, Town of Hagerstown
South at Large - Kurk Sylvester, Monroe County

As your President I would like to congratulate all our newly elected board members and challenge them to commit to 100% attendance to all board meetings and all IABO events. Without a full commitment to serve the board and his/her district the association cannot grow. In December I will pen my last letter to all of you as your President.

Take Care,

James J. Straws CBI, CFI, CPE

- Approved: All

Old Business

- Treasurer's Report – Not available but understood that all is acceptable.
- Membership Report – Not available.
- VP Tech Report – First Luncheon is set. Sam is currently working on setting up speakers.

All topics have been selected and all dates set. Dates for the remainder of the year will be communicate on all membership correspondence as a reminder. Sam may ask for assistance on getting speakers.

- Trade Show – Brian is hoping to set March 3 as the date, but will need confirmation with UA. Discussions on how to make different. Topics included partnering with local ASHRAE chapter and the inclusion of PDH classes. Also looking to host an Illinois licensed plumber class to maintain credentials.
- 2020 Membership Appreciation Event – Brian is investigating an Evansville Thunderbolts experience.
- EventBrite – Sam investigated using EventBrite for lunch seminar management and payment but believes this will add cost with little value. PayPal to remain preferred method for collecting lunch fees.

New Business

- Officer's Manual - Brian provided copies of the Officer's Manual for review of milestone requirements and duties. Many functions have been addressed, but some are requiring additional work.
- Budget to be discussed more in-depth at next meeting.
- Evansville ASPE Dropbox Setup – Based on the discussion of officer's duties, the BOD present agreed that a Dropbox account based on the current email address (EvansvilleASPE@gmail.com) for all BOD member access will assist us in managing and storing our data. Folder structure shall be year based with sub folders for each officer position and an additional folder for event management.

Agenda for Next Meeting
