AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

**David Townsend, CPD
President, C.I. Chapter of ASPE**

From the President:

Happy February. Even though our winter hasn't been very rough yet, I am still awaiting spring to arrive. We have a few chapter meetings remaining this year and have some informative presentations lined up for these meetings. If you have any topics or sponsors that are interested in presenting or sponsoring a chapter meeting, feel free to send those in. We are scheduling the fall/winter meetings for this year. Save The Date! It's time to start looking ahead for the 2020 ASPE Convention and Expo coming up in September. ASPE is currently looking for speakers for the tech sessions as well as exhibitors for the Expo. The ASPE Convention will be held in New Orleans, LA on September 11th-16th, 2020. Keep an eye on emails and pipeline articles from ASPE regarding the Convention for registration dates, lodging, etc. Also see the website and the ASPE Pipeline for information on more events happening around the Country for ASPE.

Thank you to all members that responded to our membership survey last month. We appreciate the feedback and opinions on events that we are planning or wanting to try.

We will be having our next chapter meeting in Indianapolis on Thursday, February, 20th. Please make plans to attend. Evansville will be holding their chapter meeting on Thursday, February, 27th. If you are in the Ft. Wayne area, the next meeting will be the second Thursday of March.

Have you had the chance to check out ASPE's new website yet? I have been on the site a few times, and to me, the site seems very user friendly and easier to find the information that I was looking for.

Until next month,

**David Townsend, CPD
President – Central Indiana Chapter, ASPE**

Region 2 Affiliate Report

FISHBECK

The civil, environmental, architectural, engineering and construction management consulting firm formally known as Fishbeck, Thompson, Carr & Huber, Inc., aka FTC&H, and FTCH has a new name. After more than 60 years, the firm has made a name change to FISHBECK.

Why would I write about such a change? Because Fishbeck has been a big supporter of ASPE for many years. Currently, two of their engineers are, or have been very active with our Region and at Society.

Paula Leatherman, CPD is a past President (numerous times over) of the Western Michigan Chapter as well as holding the position of VP Technical. She has attended many annual Chapter President’s meetings, Convention & Expo’s, and Technical Symposiums. She has been a Convention delegate representing the W MI chapter for many years. She also is involved in plumbing related legislative changes proposed by or enacted in Michigan and making sure her chapter members are educated on all these changes.

Paula & Brianne aboard the Empress River Boat (photo D. Holmes)

Brianne Hall, P.E., CPD, GGP is the ASPE Board of Directors - Vice President, Legislative. She has served as the President of the Eastern Michigan Chapter of ASPE (2016-2018), VP Technical and AYP Liaison (2014-2016), and Education Chair since 2018. She has been a member of the National Technical and Research Committee since 2014.

Brianne is also the President & Administrative Secretary of the ASSE International Michigan Chapter. She has been on the Code Committee since 2016, the Seal Control Board since 2017, and the Professional Qualification Standards since 2019. Brianne is also involved with the CSA Group B64 Technical Committee, Code Study and Development Group of Southeastern Michigan and the ASHRAE Detroit Chapter.

Brianne has been awarded the Patrick J. Higgins Award (2018) for outstanding contributions to the field of codes and standards, an ASPE Special Award of Appreciation (2018) and the John E. Matthews Engineer of the Year Award (2015).

What is in a name? When it comes to engineering firms like FISHBECK, it is their people and their commitment to ASPE and the discipline of plumbing engineering. Thank you, Paula, and Brianne, and thank you FISHBECK. Continued success to everyone.

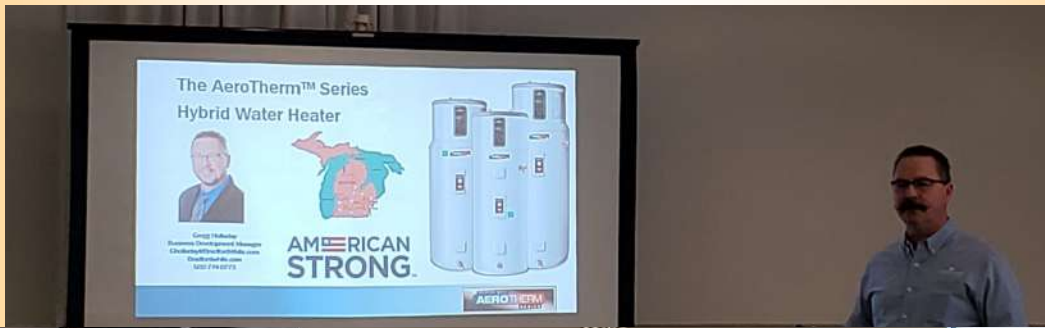

ASPE BASIC PLUMBING DESIGN

The Buffalo-Niagara Chapter is hosting a two-day Basic Plumbing Design class April 30 – May 1, 2020. The training will take place at the Tewksbury Lodge, 249 Ohio St., Buffalo, NY 14204. The cost is \$400 for ASPE members; \$600 for non-members. For more information contact Gwynne Morrison, CPD, GPD at gmorrison@watts-ae.com or Joe Marohn at jmarohn@emersonswan.com.

For non-members considering this course, by joining ASPE first, your dollars will go much further and you will begin to receive ASPE Design Handbooks. Hands-down, it is a far better use of your money and access to educational material.

Central Indiana ASPE Board Meeting

January 10, 2020

Attendees: Joe Azbell, Pete Dervenus, Gary Borgman, Julia Mauck, Brian Lee, David Townsend, Frank Bruggner

Meeting called to order.

Old Business:

Treasure's report

- November December Checks are in.
- Pete said we are doing good with money.
- No spots not paid from last golf outing.
- Evansville still not turning in notes.

VP Membership report

- At 109 members lost 4.
- AYOP Fast times indoor carting event being planned. Looking for a sponsor. Frank may have a sponsorship interest with his company. Doing event in February or March. 24 people would be around 1800.00.
- Fort Wayne meetings all sponsored. 14 people attended their last meeting.

VP Tech report

- Everything is good and booked for the year.

VP Legislative report

- The 440 is not in any position to do a J Tech.

Engineer's Week Committee report

- The chapter will not be sponsoring any events this year. BDA to possibly sponsor next years Engineers week open house.

Track Event

- IMS gearing up for this event. Pete has the suite ready. Event to be Friday May 18th
- Pete to pay the required deposits.

New Business:

- Indian's Game Event. Do we want to do it or not. We will wait till we find out what Fort Wayne wants to do with their event.
- Golf Outing- Pete wants to go back to the same facility that hosted last year. He felt they did a good job and the course will be in better shape this year. Pete also said he is looking for someone to take the lead on the tournament next year. Tournament will be August 7th.

The meeting was adjourned, next board meeting February 14th at Circle Design's office (11:30 am)

Respectfully submitted by Joe Azbell –Affiliate Liaison
