AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

David Townsend, CPD
President, C.I. Chapter of ASPE

From the President:

Happy April all and Happy Easter to you as well. Our ASPE board is continuing with scheduling our final two chapter meetings of this season. We will continue with the ZOOM platform as we have been using the past few months. We are still planning “in-person” meetings with the Fall Season in September.

Have you had any interest in becoming a chapter officer for our chapter? We are having our bi-annual board elections in May. We have had a few new nominations for board positions to complete the slate, but if you have interest, please contact me or one of the board members to get your name on the ballot. You will see the draft ballot in this newsletter issue as well. Currently we have no contested positions’ but we are always looking for fresh faces and fresh ideas to run for positions.

I for one am ready for some good weather. I’ve been out a few times playing golf this year already, and I am ready for all of the outdoor activities to start. More places are opening up from the pandemic so its time to get out and enjoy the fresh air.

I want to say a big Thank You to Dave Desjardins with Viega for his online presentation to us last month. Also thank you to Carl Pettit with Viega for sponsoring the online meeting. The meeting went well and was very informative. How do you feel about the registering process and the use of our own chapter ZOOM? We will have our next online chapter meeting via Zoom on April 15th. The registration info for this meeting will be in this newsletter and sent to the membership via email as well.

ASPE has started a membership drive for the chapters. The drive winner will receive a “Free” registration to the ASPE Tech Symposium in San Diego, CA this fall. The drive officially started on March 1st and will run through July 31st. There is a flyer in this newsletter providing all the details.

We are still looking for some meeting sponsors and speakers for the Fall 2021 year. Please contact us if you have a topic that you feel would be beneficial for the chapter. We can start scheduling for next year as well.

Until next month,

David Townsend, CPD
President – Central Indiana Chapter, ASPE

Tech News Now:

Greetings,

Thanks to all who attended last months meeting.

Our March meeting was very informative. David Desjardins did a fantastic job presenting “Balancing Hot Water Recirculation Systems to Optimize Water Quality and Delivery.” We thank Dave and the Viega team for their time and support.

We welcome Craig Boyce of Kemper Water Control Systems to present at our April 15th meeting. Craig will present on “Water Temperature and Contaminant Control.” We look forward to Craig’s presentation.

We look forward to seeing on the meeting. Our meeting will start at 12:00 pm. via ZOOM. The link to the meeting is included in our newsletter along with the evaluation form. Please send me your completed Meeting Evaluation for CUEs to blee@aspinall.com. Feel free to contact me if you have any questions.

Thank you all for your support!

Bryan Lee

THE ROAD TO SAN DIEGO CHAPTER MEMBERSHIP DRIVE

MARCH 1 - JULY 31, 2021

ASPE CHAPTERS:

Do you want to increase your membership AND help one of your members go to the [2021 ASPE Tech Symposium](#) in San Diego? You can—by participating in the Road to San Diego Chapter Membership Drive!

It's easy to participate and earn points because it's all conducted online via ASPE Connect. **Starting March 1st**, all you need to do is encourage nonmembers to sign up for the [free 30-day ASPE Connect trial](#) and encourage Chapter members to participate in discussions in the [ASPE Open Forum](#).

YOUR CHAPTER WILL EARN POINTS FOR:

1. A nonmember signing up for the [Connect free trial](#): 3 points
2. A nonmember who signed up for the [Connect free trial](#) signing up for ASPE membership: 10 points
3. Number of Chapter members participating on the [Open Forum](#) (as a percentage of Chapter membership): 1 point

Points will be totaled at the end of every month from March through July. In early August, the Chapter with the most points will be awarded a full [2021 Tech Symposium](#) registration and a hotel room for the length of the event (September 22–26) to award or raffle off to a lucky Chapter member.*

HOW TO CROSS THE FINISH LINE IN FIRST PLACE

- Direct nonmembers to the ad at the top of [ASPE Connect](#) to sign up for the free trial. Tell them to include your Chapter's name or a Chapter member's name in the "Referred by" line on the signup form.
- Make sure Chapter members know that the [Open Forum](#) is the perfect place to ask design questions.
- Encourage Chapter members to chime in on the lively discussions happening in the [Open Forum](#).
- Use your monthly meetings as the perfect place to remind participants of this membership drive.
- Put the Road to San Diego membership drive marketing materials in your newsletter and on your website.

GOOD LUCK!

Questions? Contact Gretchen Pienta at gpienta@aspe.org. *Travel and meal costs are not included.

We will have our Virtual monthly meeting this month on Thursday, March 18th. at 12:00 pm EST via our local ZOOM meeting. Please do not miss out on this opportunity! We are hosting this online meeting and not through the ASPE Education website this time. This meeting will be free for all attendees.

The meeting will be the following:

March Speaker: Craig Boyce
Topic: Minimizing Water Borne Contaminants with Recirculation

Sponsored locally by Kemper Water Control Systems

Central Indiana ASPE is inviting you to a scheduled Zoom meeting.

Join Zoom Meeting

<https://us02web.zoom.us/j/82999601902?pwd=bVhjWDlQZVV5NmF0b1U4T0Q5a3k3dz09>

You can register on our website or through the newsletter and the meeting link will be in the newsletter. If you are needing CEUs for the meeting, please request the evaluation form from our VP Tech, Bryan Lee at blee@aspinall.com You will need to complete the form and email it back to Bryan to receive your CEUs.

Please add this meeting to your calendar!

Continued Education Credit
Seminar Evaluation Form

Topic: Minimizing Water Borne Contaminants with Recirculation

Date: APRIL 15, 2021

Name: _____

(Please Note: Questions 1 thru 8 require a response to receive Continued Education Credit)

Please identify three items you learned or that were refreshed as a result of taking this course:

- 1.
- 2.
- 3.

Please rate the following aspects of the training (1-5 rating; 1=Poor 5=Excellent):

- | | | | | | |
|---|---|---|---|---|---|
| 4. Seminar Content: | 1 | 2 | 3 | 4 | 5 |
| 5. Audio/Video: | 1 | 2 | 3 | 4 | 5 |
| 6. Examples/Demonstrations: | 1 | 2 | 3 | 4 | 5 |
| 7. Presenter's Knowledge of the Topic: | 1 | 2 | 3 | 4 | 5 |
| 8. Applicability to a Plumbing Engineer/Designer: | 1 | 2 | 3 | 4 | 5 |

Seminar Enhancement Suggestions (optional):

- 9. What topic(s) or concept(s) should be considered for future seminars?

- 10. What additional resources would be beneficial to you as a professional?

Please return your completed Evaluation Form at the Sign-In Desk or you can email it to Bryan Lee at blee@aspinall.com. Thank you.

The Kemper Flow-Splitter with its unique, dynamic Venturi insert gives the designer the ability to route smaller circulation loops (from the primary distribution pipes in the ceiling) to the fixtures below.

This allows for very close connections to be made from the source of the distributed water to the termination of each fixture.

To avoid inefficient and costly measures to eliminate stagnation (such as daily, manual flushing) the piping layout shown above should be considered in the design of hot and cold potable water installations.

When water is demanded downstream of the Flow-Splitter, the Venturi cartridge insert ensures constant circulation within the connected loop which minimizes stagnation and the growth of biofilm and bacteria.

Other advantages include reducing water age and time-to-tap delays as well as increasing disinfectant residuals, energy and cost savings, water conservation and compliance with IECC 404.5.1.

CENTRAL INDIANA - ASPE MEMBERSHIP APPRECIATION DAY

Indianapolis Motor Speedway

- TO:** **CENTRAL INDIANA, EVANSVILLE & FT. WAYNE – ASPE MEMBERS**
This is a Members and Financial Supporters Event **Only**. Each Member's RSVP will be verified to ensure they are a current ASPE member in good standing.
- WHY:** Because of your Gracious Support for the **Central Indiana - American Society of Plumbing Engineers**, we would like to extend a "**Thank You**" to you, by inviting you to join us for a fun and exciting day in a Suite at the Indianapolis Motor Speedway sponsored by your **Central Indiana ASPE Chapter**.
- WHEN:** **Friday, May 21st, 2021**. The IMS gates and Suite open at 10:00 am and close at 6:00 pm.
- WHERE:** **Indianapolis Motor Speedway TOWER TERRACE SUITE #25** - Located on the INSIDE of the track's main straightway, North of the Pagoda. Watch the cars and action on the track and on pit row from the Suite or on the closed-circuit TV in the Suite. A limited number of Pit/Garage Passes will be available for your enjoyment. (Your DRIVER'S LICENSE and proper/appropriate attire is required to sign-up for a pass).
- LUNCH:** Catered by **Jug's Catering** from 11:30 am till 2:00 pm. Menu includes: Fried Chicken, Country BBQ w/ Buns, Green Beans, Cole Slaw, Potato Salad, Biscuits w/ Apple Butter, Assorted Gourmet Cookies and Iced Fudge Brownies. Soft Drinks, Water and Beer will be provided.
- EVENT:** This day is referred to as **FAST FRIDAY**. Fast Friday is the last practice day before Qualifying begins for the Indianapolis 500 Race. This is a very exciting day to watch the drivers and their crew search for the fastest speed they can get out of their cars.
- RSVP:** No later than **Friday, May 14th, 2021** to Pete Dervenis at (317) 509-9831 or email: (pdervenis@indy.rr.com). Tickets are available on a **First Come, First Serve** basis. We are **limited to 80 tickets in the Suite**. So, get your call or email in to Pete Dervenis ASAP.

Looking forward to seeing you there,

2019 – 2021 Board of Directors

CHAPTER OFFICER POSITIONS

As you are aware the Indianapolis chapter is nearing the end of its 2-year officer term. This May we will be electing our new chapter officers. It's time to see some new faces on our board with new ideas and goals. We have had some interest in board positions from our membership. Below is an overview of the elected positions from the ASPE P&O manual.

Chapter President

The office of President is the highest officer position in the ASPE chapter structure. The Chapter President is the leader of the chapter and has the responsibility for providing the chapter's leadership during his/her term of office. The Chapter President is responsible for:

- Organizing and managing an orderly, controlled, and informative chapter meeting, which will instill confidence and maintain the interest of current and potential chapter members
- Establishing the dates of, organizing, managing, and chairing the monthly meetings of the Chapter Board of Directors
- Calling emergency Board or chapter meetings or creating work sessions when it is deemed to be in the best interests of the chapter
- Appointing chapter Committee Chairs, appointing/approving committee members, and assigning special responsibilities to individual members
- Maintaining awareness of, and interest in, chapter activities. The President must judge when presidential intervention is required on behalf of the chapter's best interests.
- Sustaining interest in, and monitoring the results of, chapter committees. Committee results and reports may ultimately affect the direction of the chapter and should be confirmed to be a consensus of the assigned individuals.
- Accepting invitations to represent the chapter at other professional society functions, responding to speaking requests from schools or other organizations, and replying to public and private communications media. Proper exposure, visibility, credibility, and overall public relations are important for the Society to be recognized as an effective, viable, and professional organization. (A Chapter President does not, and may not, speak for the Society; he/she does speak on behalf of the chapter.)
- Creating and preserving chapter meeting excellence. The Chapter President is the keeper of details and remembers the little things. For example, at chapter meetings the president:

- | | |
|--|---|
| a. Introduces new and potential members | f. Calls for moments of silent prayer for deceased members |
| b. Introduces first-time attendees and guests | g. Announces milestones or special awards |
| c. Provides head-table identification placards | h. Keeps members informed of chapter and Society activities |
| d. Society officers in attendance | i. Displays the chapter's ASPE banner |
| e. Recognizes individual achievements by members | j. Displays chapter awards from the Society |

- Knowing the eligible activities that qualify and can be credited toward the Chapter Award of Merit program; verifying the chapter's monthly credit standing with the Society
- Initiating, scheduling, controlling, and producing the chapter's annual report. The chapter annual report is a vital communication link with the Society and is the trigger for the renewal of the chapter's charter and the release of the membership dues rebate monies. The chapter, through its Board of Directors, should retain a copy of the annual report. Proper delivery of the annual report can be ensured by mailing it to the Society via special delivery, return receipt requested.
- Maintaining and distributing the monthly newsletter—the chapter's most valuable member communication vehicle. The newsletter offers the Chapter President an important distribution mechanism for chapter and Society information. The newsletter offers valuable opportunities for increasing the visibility of ASPE, so newsletter distribution should be extended beyond the membership to include engineers, architects, contractors, inspectors, plant managers, other professionals, and professional-society chapters. Ensure that copies of the newsletter are distributed to the Society office, Region Director, and other regional chapters.
- Attending annual Chapter Presidents Region Meetings representing the chapter
- Representing the chapter at ASPE's biennial Convention as the lead delegate. The President ensures that the delegate list is completed and sent to the Society in a timely manner. (The delegate list is the trigger required to receive delegate travel monies.)
- Presenting the chapter annual budget for approval by the Chapter Board of Directors.
- Writing articles for the Chapter newsletter.

The Chapter President should be innovative, unafraid of change, and continually striving to improve upon previous years' successes. Each new Chapter President will be contacted by, and is expected to build an ongoing relationship with, the Region Director, an important communication link between the chapter and the Society Board of Directors. The Region Director provides an invaluable service and is chapter-oriented; visiting the region's chapters annually, he/she has an accumulation of Society information and chapter know-how, knows the answers to many chapter problems, and acts as the chapter's spokesperson with the Society Board of Directors.

Vice President, Technical

The Chapter Vice President, Technical is responsible for the planning, organizing, and directing of all technical activities and events of the chapter, which includes:

- Arranging the technical presentations for chapter meetings, including:
 - a. Establishing the technical presentations' subject matter (Vice President, Legislative may assist with appropriate topics)
 - b. Identifying and engaging technical speakers
 - c. Ensuring that technical presentations are nonproprietary in nature, even if that means the presentation must be halted
- Chairing the Chapter Technical Committee and/or overseeing the Chapter Meeting Committee
- Working with the Society Technical and Research Committee as needed for local or Society interests concerning technical matters
- Participating in the Society's Technical and Research Council (all Chapter Vice Presidents, Technical are members), including attendance at Council meetings held biennially at the ASPE Convention
- Submitting monthly meeting speaker evaluation reports to the Society for general distribution
- Preparing appropriate sections of the chapter's annual report
- Writing articles for the Chapter newsletter

The Vice President, Technical is the second-highest-ranking officer of the chapter and must be familiar with the responsibilities of the Presidency, including familiarity with the Society Bylaws and policies and procedures as established in the *Policy and Operations Manual*. In the absence of the Chapter President (e.g., illness, travel), the Vice President, Technical is responsible for acting in the capacity, and carrying out the duties, of the Chapter President.

Vice President, Legislative

The Chapter Vice President, Legislative is responsible for:

- Planning and implementing chapter programs and projects relating to codes, ordinances, and municipal or state regulations that affect the membership
- Working with the Society's Vice President, Legislative and Legislative Committee, and providing chapter membership viewpoints for national-level codes, ordinances, regulations, and standards
- Acting as the liaison with code-writing and regulatory organizations and agencies, as necessary and desirable for the chapter's membership
- Reporting local code or legislative activities to the Chapter Board of Directors and to the Society office
- Participating in the Society's Legislative and Code Council (all Chapter Vice Presidents, Legislative are members), including attendance at Council meetings held at the biennial ASPE Convention
- Preparing appropriate sections of the chapter's annual report
- Writing articles for the Chapter newsletter

Vice President, Membership

The Chapter Vice President, Membership is the membership administrator of the chapter. The Vice President, Membership, is responsible for:

- Maintaining an accurate roster of the chapter's members
- Reviewing, for completion, accuracy, and proper classification, applications for membership and applications for advancement of membership; also ensures that the appropriate fees and dues amounts are submitted with applications
- Working with the Society's Vice President, Membership, Membership Committee, and Membership Director, as necessary
- Chairing the Chapter Membership Committee, including:
 - a. Planning and implementing membership recruitment programs
 - b. Membership retention
- Participating in the Society's Membership Council (all Chapter Vice Presidents, Membership are members), including attendance at council meetings held at the biennial ASPE Convention
- Preparing appropriate sections of the chapter's annual report
- Writing articles for the Chapter newsletter The Chapter Vice President, Membership also may be responsible for the planning, organizing, and conducting of all chapter social events.

Treasurer

The Chapter Treasurer is the chief financial officer of the chapter. The Treasurer is responsible for:

- Collecting chapter funds and depositing monies received by the chapter (e.g., dues rebates, meeting fees)
- Disbursing chapter funds and paying chapter bills
- Overseeing chapter finances
- Maintaining chapter financial records
- Reporting, periodically, to the Board and to the chapter on the state of the chapter's finances
- Submitting monthly financial reports to the Society office
- Preparing the financial report sections of the chapter's annual report

Administrative Secretary

The Chapter Administrative Secretary is the record keeper for the chapter. The Administrative Secretary is responsible for the internal records of the chapter (i.e., records of chapter business), which includes:

- Keeping minutes of Board meetings, minutes of general membership meetings, attendance records, etc.
- Transmitting the required monthly reports to the ASPE office, including:
 - a. Board meeting minutes
 - b. General membership meeting minutes
 - c. Meeting attendance lists (sign-in lists)
 - d. Treasurer's reports (prepared by the Treasurer)
 - e. Chapter newsletter (prepared by the Newsletter Editor)
 - f. Technical Committee report (when applicable)
 - g. Education Committee report (when applicable)
 - h. Legislative and Codes Committee report (when applicable)
 - i. Meeting and/or technical program evaluation form

The Administrative Secretary, while not responsible for preparing all of these reports, is responsible for seeing that they are submitted, in a timely manner, to the Society office. The Administrative Secretary is responsible for preparing the appropriate section of the chapter's annual report. Required reports, such as the chapter and Board meeting minutes, and the Vice President, Technical, Vice President, Legislative, and Vice President, Membership reports may be published as part of the chapter newsletter, which is an acceptable alternative to submitting the reports to the Society office.

Corresponding Secretary

The Corresponding Secretary is responsible for all intra-chapter correspondence and for communication with the Society office, which includes:

- Maintaining the chapter's mailing list of members
- Working with the Vice President, Membership to maintain the chapter's membership records
- Preparing, in conjunction with the Vice President, Membership, the official membership roster of the chapter
- Assisting with the mailing of the chapter's newsletter
- Providing updated chapter information regarding officers, contact information, and meeting location to the Society
- Maintaining a link for the chapter's website with the Society's website The Corresponding Secretary is responsible for preparing the appropriate section of the chapter's annual report.

HELP WANTED

Mid/ Upper Level Plumbing Designer:

GMB Architecture + Engineering has an opening for a mid-level plumbing designer in their Indianapolis office.

Applicants must be able to design and layout plumbing systems for various building types (i.e. K-12, higher education, Industrial, corporate, etc.).

Applicant must be proficient in Revit/ CAD to create plumbing documents. GMB offers a flexible work environment and emphasizes personality/attitude/values/etc.

To apply or to receive more information about the position, please contact Andre Maue at andrem@gmb.com

RQAW: PLUMBING DESIGNER WANTED:

PLUMBING DESIGNER:

1. Applies knowledge of codes and construction industry standards to develop appropriate plumbing designs.
2. Work successfully in a team environment.
3. Perform field investigations to determine existing conditions.
4. Create schematic design reports and scope documents.
5. Prepare construction documentation, including drawings, piping diagrams, equipment selection, select plumbing fixture types, developing schedules, and edit specifications.
6. Review construction submittals for compliance with contract documents.
7. Minimum of 5 years' experience in Plumbing Design.

2020 – 2021 ADVERTISEMENT RATES:
