AMERICAN SOCIETY OF PLUMBING ENGINEERS
 A NON-PROFIT ORGANIZATION - Local Chapters
 are not authorized to speak for the Society

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Another Indiana hot August is upon us and so far, it hasn't been a bad summer. We recently held our 40th Annual Central Indiana Golf Outing at Winding Ridge Golf Club and had a great turnout! The weather was nice and the course was in good shape. I think it's safe to say that everyone had a great time. Thank you all who took time to join us for a fun day out of the office! Also, thanks to John Okerson and the rest of the Central Indiana ASPE board for helping to make this event a success! And thanks to Pete Dervenis for helping us in our transition! Be sure to check out the photos of the day in this issue. We also have team photos available if you would like one. Just email me and I will send it to you. Our annual golfing event would not have been possible without the support of our sponsors and members. On behalf of Central Indiana ASPE, I would also like to thank you, our team and hole sponsors for your huge contributions! Without faithful supporters like you, our chapter wouldn't be as strong as it is! We have a very symbiotic relationship in that your support and participation help us run our chapter by promoting the industry and educating our designers and engineers. I'm sure our manufacturer's reps also learn a few things from our tech sessions as well while getting to know each of our members. They too get to know you on a more personal level which can only help you and your colleagues. That is one thing I have gotten out of ASPE that stands out most is the networking aspect as a result of the camaraderie of our chapter members and supporters. Thank you all for being a part of that!

Our September Meeting is coming up soon and at this point in time, we plan to hold it in person at the Northside Knights of Columbus, so put September 16th on your calendar. We still have opening for lunch tech session sponsors and topics. Bryan Lee can help you set those up.

Best regards,

**Gary Borgmann, CPD

THE ROAD TO SAN DIEGO CHAPTER MEMBERSHIP DRIVE

MARCH 1 - JULY 31, 2021

ASPE CHAPTERS:

Do you want to increase your membership AND help one of your members go to the [2021 ASPE Tech Symposium](#) in San Diego? You can—by participating in the Road to San Diego Chapter Membership Drive!

It's easy to participate and earn points because it's all conducted online via ASPE Connect. **Starting March 1st**, all you need to do is encourage nonmembers to sign up for the [free 30-day ASPE Connect trial](#) and encourage Chapter members to participate in discussions in the [ASPE Open Forum](#).

YOUR CHAPTER WILL EARN POINTS FOR:

1. A nonmember signing up for the [Connect free trial](#): 3 points
2. A nonmember who signed up for the [Connect free trial](#) signing up for ASPE membership: 10 points
3. Number of Chapter members participating on the [Open Forum](#) (as a percentage of Chapter membership): 1 point

Points will be totaled at the end of every month from March through July. In early August, the Chapter with the most points will be awarded a full [2021 Tech Symposium](#) registration and a hotel room for the length of the event (September 22–26) to award or raffle off to a lucky Chapter member.*

HOW TO CROSS THE FINISH LINE IN FIRST PLACE

- Direct nonmembers to the ad at the top of [ASPE Connect](#) to sign up for the free trial. Tell them to include your Chapter's name or a Chapter member's name in the "Referred by" line on the signup form.
- Make sure Chapter members know that the [Open Forum](#) is the perfect place to ask design questions.
- Encourage Chapter members to chime in on the lively discussions happening in the [Open Forum](#).
- Use your monthly meetings as the perfect place to remind participants of this membership drive.
- Put the Road to San Diego membership drive marketing materials in your newsletter and on your website.

GOOD LUCK!
