David Townsend, CPD
President, C.I. Chapter of ASPE

From the President:

Happy New Year! 2021 is here, and this month we will continue on with our online chapter meetings. I hope everyone had a great holiday season and stayed safe and healthy. It's been a crazy 9 – 10 months, but we are still pushing through. We will have our next online chapter meeting via Zoom on January 21st. The registration info for this meeting will be in this newsletter and sent to the membership via email as well.

The deadline to apply for the Alfred Steele Scholarship through ASPE is January 31, 2021. Each year ASPE awards up to \$3,000 in scholarship monies to qualified students through the Alfred Steele Scholarship. To be eligible, you must be an ASPE member or the spouse or child of an ASPE member, have a GPA of 3.0 or higher, and be in or plan to attend an engineering program full-time at a college, university, or technical school. If you are interested in the ASPE scholarship, see the info on the ASPE website.

Just a reminder, if you were registered for the 2020 ASPE Digital Experience at the beginning of December, the webinars and tech sessions are still open to view and earn CEUs. The Digital Experience will be open until January 31st. This is a great way to earn FREE CEUs through ASPE.

We are still looking for some meeting sponsors and speakers for the 2021 year. Please contact us if you have a topic that you feel would be beneficial for the chapter. We can start scheduling for next year as well.

Are you interested in taking the CPD exam this year? ASPE is offering two virtual review classes in 2021 on February 13, 14, and 20 and February 27, 28, and March 6 to help you prepare to take the 2021 Certified in Plumbing Design (CPD) exam. Registration for these classes includes a CPD practice test (a \$50 member value). See the ASPE website or ASPE Pipeline for information on registration.

Until next month,

David Townsend, CPD
President – Central Indiana Chapter, ASPE
