AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Greetings everyone! I hope everyone enjoyed their 4th of July celebrations! I know I certainly did! I'm sure some of you don't like the hot sultry Indiana summers, but they are just part of the seasonal changes that I really love and do enjoy each one with all of their own special features. I've been working from home this past year and since taking away the commute during nasty weather, even winters are much more tolerable.

So, I'm serving another term as your Chapter President which I happily accept and look forward to the next two years and hope they will be a little more fulfilling than this past year. I want to thank David Townsend and all of the other Chapter Officers for their dedication and hard work in running our chapter! We have some new Chapter Officers I would like to welcome to the board... Mike Lambert of Battersby Danielson & Azbell will be our new Membership VP, and Joe Keller of Circle Design Group is our new Corresponding Secretary and Newsletter Editor. I also want to offer a very special thank you to Pete Dervenis for his 22 years serving on the board! If you haven't heard yet, Pete has stepped down as Treasurer with the May elections. Pete had served in several positions before becoming our Treasurer and he has done a fantastic job doing it! Thanks to his diligence and hard work, we have been successful in growing our treasury which has allowed us to give back to our members with all of the Membership Appreciation events over the years. Pete was instrumental in organizing these events, no, "instrumental" is not enough... These events were all Pete's ideas and he did all the research and organizing! And then there's the annual Chapter Golf Outing... Yep, Pete also organized that too, and has been for years! Be sure to say thank you to Pete the next time you see him.

I also need to thank George Russel who also stepped down this year as our "Corresponding Secretary" and "Newsletter Editor"! George has done a great job over the years with the newsletter. I'm sure we all caused him some grief when sending him our articles so late he had to scramble to get them out in a timely manner. George was also our official ASPE Golf Outing Photographer, so thank you George for all of your hard work and dedication!

Speaking of the Golf Outing... It is coming up fast! John Okerson is organizing it this year, so be sure to get your teams together and send to John ASAP. Also, if you want to sponsor a hole, get that to him soon. As always, we are looking for raffle prize donations no matter the size. If you are a player looking for a team, let John know so he can find a team for you. We will be playing at the same course as last year, "Winding Ridge Golf Club" on Friday August 6th (11:30 shotgun start), with complimentary lunch and dinner.

If you have any tech session suggestions for the upcoming year, please send them to Bryan Lee, or any other board member and we'll try to get a speaker to present them. We have several meeting dates open, so if you would like to present on a topic, let us know and we'll set it up. We do plan to resume our in-person meeting at the Northside K of C in September on the 3rd Thursday of each month. If I don't see you at the golf outing, I hope to see you then.

Best regards,

**Gary Borgmann, CPD

THE ROAD TO SAN DIEGO CHAPTER MEMBERSHIP DRIVE

MARCH 1 - JULY 31, 2021

ASPE CHAPTERS:

Do you want to increase your membership AND help one of your members go to the [2021 ASPE Tech Symposium](#) in San Diego? You can—by participating in the Road to San Diego Chapter Membership Drive!

It's easy to participate and earn points because it's all conducted online via ASPE Connect. **Starting March 1st**, all you need to do is encourage nonmembers to sign up for the [free 30-day ASPE Connect trial](#) and encourage Chapter members to participate in discussions in the [ASPE Open Forum](#).

YOUR CHAPTER WILL EARN POINTS FOR:

1. A nonmember signing up for the [Connect free trial](#): 3 points
2. A nonmember who signed up for the [Connect free trial](#) signing up for ASPE membership: 10 points
3. Number of Chapter members participating on the [Open Forum](#) (as a percentage of Chapter membership): 1 point

Points will be totaled at the end of every month from March through July. In early August, the Chapter with the most points will be awarded a full [2021 Tech Symposium](#) registration and a hotel room for the length of the event (September 22–26) to award or raffle off to a lucky Chapter member.*

HOW TO CROSS THE FINISH LINE IN FIRST PLACE

- Direct nonmembers to the ad at the top of [ASPE Connect](#) to sign up for the free trial. Tell them to include your Chapter's name or a Chapter member's name in the "Referred by" line on the signup form.
- Make sure Chapter members know that the [Open Forum](#) is the perfect place to ask design questions.
- Encourage Chapter members to chime in on the lively discussions happening in the [Open Forum](#).
- Use your monthly meetings as the perfect place to remind participants of this membership drive.
- Put the Road to San Diego membership drive marketing materials in your newsletter and on your website.

GOOD LUCK!
