AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

David Townsend, CPD
President, C.I. Chapter of ASPE

From the President:

Summer break is here. It seems like the year is flying by. For me there hasn't been any break between projects, but staying busy is always a plus. Our chapter was finally able to host our Membership Appreciation Day at the Indianapolis Motor Speedway suite on Fast Friday. It was nice to see everyone in person again. Thanks to Pete Dervenis for planning the event this year.

As you are aware, we held our chapter officer elections this past month. Congratulations to the new 2021-2023 chapter Officers. This will also be my last president's article as Gary Borgmann will be the Chapter President for the next term. You can see the new board members contact information further on in this newsletter issue.

As a reminder, we won't have chapter meetings over the summer due to summer break, but "In-Person" chapter meetings will resume in September. Our chapter officers will continue having our monthly board meetings to keep the chapter moving forward. Enjoy your summer.

Golf, Golf, Golf!! Our golf outing is made possible by sponsorships. We offer hole sponsors, team sponsors and a few other sponsorship opportunities. We need your continued support again this year. Please see the upcoming flyers in your email or newsletters on areas where you can support. Information on the golf outing or questions can be answered by Gary Borgmann or John Okerson, host of the golf outing committee. If you have questions or want to find other ways to sponsor at the golf outing, please contact John or Gary.

I want to thank Tim Wolfe with TRCWW engineering and Bill Frije for their presentation at our online meeting last month. They both gave in-depth information about ultrapure water and how it is designed and installed for the case study Research Laboratory.

Until next month,

David Townsend, CPD
President – Central Indiana Chapter, ASPE

THE ROAD TO SAN DIEGO CHAPTER MEMBERSHIP DRIVE

MARCH 1 - JULY 31, 2021

ASPE CHAPTERS:

Do you want to increase your membership AND help one of your members go to the [2021 ASPE Tech Symposium](#) in San Diego? You can—by participating in the Road to San Diego Chapter Membership Drive!

It's easy to participate and earn points because it's all conducted online via ASPE Connect. **Starting March 1st**, all you need to do is encourage nonmembers to sign up for the [free 30-day ASPE Connect trial](#) and encourage Chapter members to participate in discussions in the [ASPE Open Forum](#).

YOUR CHAPTER WILL EARN POINTS FOR:

1. A nonmember signing up for the [Connect free trial](#): 3 points
2. A nonmember who signed up for the [Connect free trial](#) signing up for ASPE membership: 10 points
3. Number of Chapter members participating on the [Open Forum](#) (as a percentage of Chapter membership): 1 point

Points will be totaled at the end of every month from March through July. In early August, the Chapter with the most points will be awarded a full [2021 Tech Symposium](#) registration and a hotel room for the length of the event (September 22–26) to award or raffle off to a lucky Chapter member.*

HOW TO CROSS THE FINISH LINE IN FIRST PLACE

- Direct nonmembers to the ad at the top of [ASPE Connect](#) to sign up for the free trial. Tell them to include your Chapter's name or a Chapter member's name in the "Referred by" line on the signup form.
- Make sure Chapter members know that the [Open Forum](#) is the perfect place to ask design questions.
- Encourage Chapter members to chime in on the lively discussions happening in the [Open Forum](#).
- Use your monthly meetings as the perfect place to remind participants of this membership drive.
- Put the Road to San Diego membership drive marketing materials in your newsletter and on your website.

GOOD LUCK!

Questions? Contact Gretchen Pienta at gpienta@aspe.org. *Travel and meal costs are not included.
