AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

David Townsend, CPD
President, C.I. Chapter of ASPE

From the President:

Spring is almost here! Finally the weather is changing to warmer temperatures and the sun is shining. Do you know where you were at this date last year? If you are like the majority of people, you were hearing the news of the start of the pandemic. This month last year we were dealing with having to cancel our in-person meeting and trying to figure out how to keep the chapter moving forward with everyone moving to working remotely. Who would have thought we would be in this thing for a year. It seems like around March 15, 2020 everything in the state just came to a halt, but here we are making it through and pushing forward.

I want to say a big Thank You to Matt Lunn with Lawler Valve for his online presentation to us last month. Also thank you to Jim Lyon with S15, Inc for sponsoring the online meeting. The meeting went well and was very informative. How do you feel about the registering process and the use of our own chapter ZOOM? We will have our next online chapter meeting via Zoom on March 18th. The registration info for this meeting will be in this newsletter and sent to the membership via email as well.

ASPE has started a membership drive for the chapters. The drive winner will receive a “Free” registration to the ASPE Tech Symposium in San Diego, CA this fall. The drive officially started on March 1st and will run through July 31st. There is a flyer in this newsletter providing all the details.

As for the remainder of our 2021 meeting season, we will continue using the Zoom online meeting format. We are hoping that for the Fall 2021 season, we can return to in-person meetings. We are monitoring the regulations and info we receive and will make that determination in the future. We are still looking for some meeting sponsors and speakers for the 2021 year. Please contact us if you have a topic that you feel would be beneficial for the chapter. We can start scheduling for next year as well.

Until next month,

David Townsend, CPD
