AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

Gary Borgmann, CPD
President, C.I. Chapter of ASPE

From the President:

September is here already! Man, summer always seems to fly by! Never enough time to do everything you want to do. Anyway, I hope you all had enjoyable summers for yourselves! I have been waiting all summer though to take a big road trip out west with Sandy. We're hoping to explore Colorado and Utah, and points of interest between here and there. Hopefully the smoke from all the fires west of there won't interfere too much!

With September the official start of our 2021 – 2022 season begins, and also our first monthly meeting of the year. As we noted before, we will hold this meeting in person at the usual location which has changed names. It is now known as Northside Events & Social Club, located at 2100 E. 71st Street. I hope you all will be able to attend our monthly meetings. Bryan Lee has an interesting program set up for September (see info elsewhere in this issue) and is currently looking for more speakers and topics for future meetings, so if you have any suggestions, or would like to present, or sponsor a tech session, please contact Bryan Lee to set that up.

September also brings the ASPE Symposium in San Diego, CA from September 22nd to the 26th. You can find more details on the ASPE website at <https://www.aspe.org/2021-tech-symposium/> They have lots of great educational programs lined up this year, along with 54 vendors for the product show.

Another event coming up is the **“Water Demand Calculator: Updating the Hunter’s Curve Summit”** hosted by ASPE and IAPMO on November 4th from 9 a.m. to 5 p.m. CST (10 a.m. - 6 p.m. EST). The event will review the history of Hunter’s curve and discuss what the future holds for the Water Demand Calculator. It will specifically focus on adapting the WDC to commercial needs and explore the challenges it needs to overcome. If you will recall, our own Tim Wolfe, PE, along with his colleagues, Dan Cole, and Steve Buchberger presented on this at our May 2019 ASPE meeting. This looks to be a very informative discussion and will surely affect the future of the Hunter Curve that we use daily in our industry. You can learn more at: <https://www.aspe.org/pipeline/registration-is-open-for-the-virtual-updating-the-hunters-curve-summit/>

One last thing, we were so busy with organizing the golf outing after the May ASPE Membership Appreciation day at the track, we didn't get any photos posted, so we are revisiting May in this issue with some photos of that day.

Best regards,

Gary Borgmann, CPD
President – Central Indiana Chapter, ASPE

Brian Lowe
President, Evansville Satellite
Chapter of ASPE

From the President:

September is one of my favorite months of the year! The high humidity goes away, football is back, bonfires, my birthday month and best of all in person technical meetings (hopefully). The last 18 months was pretty rough for many people and your local Evansville ASPE was no exception. We are excited about getting this year started with our first in person meeting September 23rd, 11:30am CST downtown at the EW-SU building. Meeting info will be sent out soon.

We are also very happy for the return of our Annual Golf Outing Oct 5th at Cambridge Golf Course in Evansville. Registration begins at 11am CST with shotgun starting at 12pm CST. Dinner and awards will follow. A big special thanks to McWane Technical Services for being our Food Sponsor and Porter Pipe & Supply for being our Beverage Sponsor. We have several teams signed up so don't miss out on this event. If you would like to take part in the outing with a sponsorship, or just looking for a team to play on, contact Sam Schenk (sschenk@bcclt.com).

We have had a couple changes with our chapter officers for 2021-2023. I would like to welcome Ray Witmeier as our Administrative Secretary. I have had the privilege of knowing Ray for many years. On top of bringing several years of experience in the industry, he brings a much needed look from the contractor side. Sam Schenk has settled into the Treasurer role after many years of President and VP Tech. Jacob Evans is now our Affiliate Liaison after serving as our Treasurer. John Buechlein is holding down the fort as VP Membership. Larry Fox is our Historian. Steve Sitzman has moved into the VP Tech roll, and I round it out as your returning President.

If you are interested in seeing a topic or giving a presentation, please contact Steve Sitzman ssitzman@ewsu.com. Our meetings will be the 4th Thursday of each month through May, with the exception of our Nov/Dec meeting on December 2nd.

Thanks,

Brian Lowe

High Purity and Industrial Water Systems

Greetings,

The Central Indiana ASPE Chapter welcomes you back to our 2021-2022 season of meetings. We very much look forward to holding our meetings in person and seeing all of you again in a face-to-face setting. It will be great to be all together again.

Our September meeting is sponsored by Oasis Water Coolers. Brian O'Keefe will present to us on "Drinking Fountains and Bottle Fillers in a Post Covid-19 World." The considerations of water coolers and bottle fillers in plumbing designs is important as facilities reopen post COVID and new facilities are being designed.

Our meeting will be held on September 16, 2021, at the Knights of Columbus. Time for fellowship is 11:30 am to 12:00 pm. The presentation and lunch start at 12:00 pm. We look forward to seeing all of you there. Please RSVP through the newsletter or ASPE.org website.

Thank you all for your support!

Bryan Lee

VP Technical, C.I. Chapter of ASPE

COURSE DESCRIPTION:

Despite vaccinations, social distancing, masks and other precautions, COVID-19 continues to ravage parts of the globe. New learnings on how the virus spreads is leading to profound changes in how hydration will be delivered in the future.

Health experts recommend drinking between 7-10 cups of water per day to stay properly hydrated. That's one reason why more school districts, public and private universities, hospitals, and corporate offices are replacing traditional water fountain bubblers with touch-free electronic bottle fillers (EBFs).

This course will provide an overview of important considerations when specifying drinking fountains and touch-free EBF's in your projects.

LEARNING OBJECTIVES:

1. What design offers the best overall solution for your project.
2. Why electronic bottle fillers are a popular new addition for new construction, renovation, and replacement projects.
3. Become more familiar on plumbing code and ADA requirements for your design.
4. Why filtration and UVC-LEDs are new considerations.

ASPE CEU Provider: Education Units Issued 0.10 CEU or 1.00 PDH

THE INSTRUCTOR: Brian O'Keefe, National Strategic Account Manager, OASIS International
Mr. O'Keefe has over 30 years of experience in the plumbing industry. During this time, he has trained over 1,000 industry professionals while presenting 75+ CEU classes. Mr. O'Keefe is a highly sought-after instructor because of his plumbing design knowledge and engaging presentation skills.
Mr. O'Keefe has a B.B.A. degree from Georgia State University and an M.B.A. from Kennesaw State University.

SPONSORSHIP

Eighth Annual ASPE Evansville Chapter Golf Classic

Tuesday, October 5th 2021 at Cambridge Golf Course

MAKING A DIFFERENCE

This event is a great opportunity to reach your target market in large numbers in one afternoon. You have several great options to advertise your brand and show your support of the ASPE Evansville Chapter.

Food Sponsor \$950

Four player fees (\$300 value), special recognition at banquet, color sign with company logo.

Beverage Sponsor \$950

Four player fees (\$300 value), special recognition at banquet, color sign with company logo.

Hole-in-One Sponsor \$500

Four player fees (\$300 value), 12'x12' spot to advertise/display/demonstrate product on a tee box during the scramble, and a color sign with company logo (tent and table to be provided by sponsor).

Eagle Sponsor \$450

Four player fees (\$300 value), 12'x12' spot to advertise/display/demonstrate product on a tee box during the scramble (tent and table to be provided by sponsor).

Birdie Sponsor \$375

Four player fees (\$300 value) and a color sign with company logo.

Tent Sponsor \$200

12'x12' spot to advertise/display/demonstrate product on a tee box during the scramble (tent and table to be provided by sponsor).

Hole Sponsor \$100

Color sign with company logo at tee box.

Let us know which option works best for you.

SEE YOU ON THE COURSE!

Contact Sara Schenk (Schenk@Berl.com) for reservations or additional details.

2021 MEMBERSHIP APPRECIATION DAY

2021 MEMBERSHIP APPRECIATION DAY CONT.

Central Indiana ASPE Board Meeting

August- 12- 2021

Attendees- John Okerson, David Townsend, Pete Dervenis, Gary Borgmann, Dan Cummins, Frank Bruggner, Joe Keller, Joe Azbell

Meeting Called to Order 11:35 AM

OLD BUSINESS

Treasure's Report - Financially in good standing.

MEMBERSHIP REPORT - Holding steady, 103 total members this number includes Indianapolis and Ft. Wayne.

AYP/WOA - Nothing to report will have more at next board meeting, due to the golf outing.

VP TECH REPORT - September meeting will be in person at the K of C September 16th 2021 @ 11:30am

VP LEGISLATIVE REPORT - Nothing to report

Golf Outing Update - Golf outing was a success for 2021, all bills paid on ASPE behalf.

NEW BUSINESS

Presentation by Katie Ketter of **Star Chapter**. Website Software Company to help streamline CIASPE web-site capabilities. Will discuss with the rest of the board members and report back to Katie.
