AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Greetings everyone! How are you all holding up this winter!?! I was beginning to wonder if we'd have any winter weather at all when we were hitting the 50's and some 60's too, but that all changed over one night. Only in Indiana, right!?! Now we have a nice covering of snow for a little while anyway. Some may not agree, but I like the snow! It gave me an excuse to get the old tractor fired up and hook up the plow, after breaking it free from its frozen grip. I don't know about you, but we had some big drifts in the most inconvenient locations! Soon enough and it will all be gone.

We had a great turnout for the January meeting and Todd Green with Charlotte Pipe did a great job sharing his expertise with cast iron and PVC pipe. Even though the title of the program was Value Engineering Cast Iron vs PVC, there's always other things to consider, such as incorporating a hybrid system with both... If your project has a kitchen, or a boiler room with hot waste fluids, you should utilize cast iron for the factory recommended lengths to prevent the piping deforming. Also, I didn't realize that there was no ASTM testing for enhanced coatings of cast iron pipe. Something to consider when writing your spec. Hanger spacing is another thing to coordinate your specifications with the Indiana Plumbing Code. For our February 17th ASPE meeting, our tech session topic is "Venting Fundamentals for Water Heating". Aaron Siegel with Bradford White will our presenter and sponsor this month. You can find more details elsewhere in this issue. Be sure to attend, we will be once again raffling off \$100 to one of our ASPE members.

See you at the next meeting!

Tech News Now January 2022:

Greetings,

We look forward to seeing you at our Central Indiana ASPE Chapter meeting on February 17, 2022.

Our chapter thanks Todd Green of Charlotte Pipe for giving us his time and expertise on the Applications of Cast Iron.

This month's meeting will be presented to us by Aaron Siegel of Bradford White Water Heaters. Aaron will discuss "Water Heating Venting Fundamentals." Topics of discussion will be:

- Understanding the basic principles of combustion and venting of gas appliances.
- Describe the four different venting categories.
- Common problems associated with gas water heaters.
- Products of gas combustion.
- Examples of proper water heating venting configurations.

Our February meeting will be held on February 17, 2022, at the Northside Events and Social Club. Time for fellowship is 11:30 am to 12:00 pm. The presentation and lunch start at 12:00 pm. We look forward to seeing all of you there. Please RSVP through the newsletter or ASPE.org website.

Please feel free to invite others that would benefit from being a part of our ASPE group.

Thank you all for your support of our Central Indianapolis Chapter!

Bryan Lee

Evansville February 24, 2022 MEETING ANNOUNCEMENT

This month Aaron Kilburg from NIBCO will be joining us for this month's Evansville ASPE meeting.

WHAT: NIBCO Valve 101 Course Description

WHERE: COMFORT by Cross-Eyed Cricket 230 Main Street, Evansville, IN

WHEN: Thursday, February 24, 2022; 11:30am CST

LUNCH: Lunch is FREE for ASPE members. All others, lunch is \$15.

PRESENTATION TOPIC:

The presentation topic will be NIBCO Valve 101 Course Description.

OUR PRESENTER:

Aaron Kilburg is the NIBCO Commercial Sales Manager – Midwest, and has been with NIBCO for 4 years. Aaron works with MEP engineers to be a resource for valve and press products, as well as generating demand for engineered products with mechanical, plumbing and fire protection contractors. Aaron's territory includes the states of Illinois, Wisconsin, Michigan, Indiana, Kentucky, and Ohio. Mr. Kilburg is a graduate of the University of Illinois.

NIBCO Valve 101 Course Description

Introduction into Commercial Valves. Discussion of valve types, function, materials used, and service conditions to consider for proper valve selection.

- *Learn the purpose of valves in Commercial Systems.*
- *Learn about the different types of commercial valves, and their function within a plumbing system.*
- *Learn why different materials are used in valve construction to insure proper specification in design of plumbing systems.*
- *Learn how understanding service conditions plays an important role in designing efficient plumbing systems.*
- *Learn about valve selection for different applications within a plumbing system.*

Join us for our NIBCO Valve 101 Course Description. Mark your calendar, bring a colleague and join us February 24, 2022. Please **RSVP** as soon as possible to VP-Technical Steve Sitzman at ssitzman@ewsu.com or (812) 708-0502.

Central Indiana ASPE Board Meeting

January 13, 2022

Attendees – Gary Borgmann, Bryan Lee, David Townsend, Frank Bruggner, Mike Lambert, Julia Mauck, Joe Azbell

Called to Order: 11:35 A.M.

OLD BUSINESS:

Treasurer's Report

Financially in good standing.

Membership Report:

There are 107 total chapter members.

AYP/WOA:

Planned Duck Pin Bowling event for March 10th or 24th in Fountain Square.

VP Tech Report:

Speakers are set through March. Bryan to research speakers to discuss fire protection. Frank Bruggner to provide contacts for code officials.

VP Legislative Report:

State level conversations on codes is in review and draft phase.

Star Chapter Services:

David T. has reviewed and submitted final contact information.

Treasury Funds:

Board discussed donating to ACE Mentoring Program and a membership raffle.

ASPE 2022 Convention:

Board continued discussion on delegate gift options.

David T. is researching backpack options.

Dan. C. to find information on printing services.

NEW BUSINESS:

Membership Appreciation Event for 2022 – Discussed Indianapolis Indians Game Night. Includes AYP.

Golf Outing – Proposed August 5, 2022. David T. to research.

Convention Party – Proposed party at Slippery Noodle during the National Convention. Gary B. to research.

Meeting Adjourned: 12:52 P.M.

MAKE THE SWITCH to

Less Time - More Profits - LESS LEAKS!

WHAT OTHERS HAVE FOUND...

"...Pro-Flex CSST not only provides a cost to cost saving against the other manufactures of CSST but is also an easier product to work with. While cost is higher than black iron the speed and reliability of Pro-Flex allows us to install faster without the worry of added cost of leaks..."

Contact Dan Cummins for more information!
317-496-1288

"When we work on any of our gas installs that require far or short runs we usually turn our heads to Pro-Flex CSST Gas Pipe. The pipe is easy to work with and is very forgiving in every way. What I like about the product is the gasket and duo FIP/MIP connections it provides. With the duo connection adapters, one adapter can be used for either MIP or FIP, I don't have to buy two different types of fittings to prepare for my jobs. As for the gasket being within the gas connection, we don't have to crank the fittings like we had to do with previous gas pipe. Not to mention, we have less leaks (a lot less) close to none AND we are able to reuse the fittings - unlike other manufactures that are not approved to do so. It has definitely become our go to for gas piping when we want to get it done quick and when we don't want call backs!" - Terence

These and many others that made the SWITCH!

Call For Presentations

ASPE Convention & Expo 2022

Indianapolis // September 16-21

ASPE's biennial [Convention & Expo](#) is the only event designed to enhance the professional development, technical education, and career growth of plumbing engineering professionals. To achieve that mission, ASPE seeks expert industry speakers to present 75-minute, nonproprietary technical sessions that address current industry trends and technologies at next year's event in Indianapolis on September 16–21.

Presentations should be geared toward beginner, intermediate, or advanced learners. Topic areas that will be considered are:

- Codes and standards
- Water quality
- System design
- Sustainability
- Construction
- Specialty design
- Fire protection and life safety

Sessions can be a lecture, panel discussion, or hands-on demonstration.

Visit aspe.org/2022-call-for-presentations to submit your presentation for consideration. All completed proposals will be anonymously reviewed by the ASPE Education Committee, and all submitters will be notified of the committee's decision by early May 2022.

The deadline to submit a presentation proposal is February 28.

2020 – 2021 ADVERTISEMENT RATES:

All annual Advertisement(s) are printed from September thru August. Any partial year Advertisement(s) will be pro-rated accordingly. If you would like to have your Business Card(s) and/or other **Pre-Approved** Advertisement(s) printed in our monthly Newsletter, please email them to **Joe Keller** at joeckeller@yahoo.com. Invoices will be sent out for all the Advertisement(s) requested.

1. Business Card: **\$50.00** per year, per card (In Newsletter Only)
2. Business Card: **\$100.00** per year, per card (In Newsletter w/ Your Website Link)
3. Full Page Advertisement: **\$75.00** per page, per month.
4. Half Page Advertisement: **\$50.00** per month.
5. Quarter Page Advertisement: **\$35.00** per month.

NOTE: A **\$25.00** Service Fee will be added to your total invoice if you are NOT a current individual ASPE member. Checks are to be made out to; Central Indiana Chapter ASPE and mailed to; **David Townsend**, 650 S Clay St., Frankfort, IN 46041.

DEADLINE: For Advertisement(s) to be included in the following month's Newsletter, all information needs to be sent to **Joe Keller** by the **25th** of the current month. If you have any questions, please call **Joe Keller** at (317) 417-5350; or **Gary Borgmann** at (317) 657-3426.

As Always, THANK YOU for your CI-ASPE Support!

EMPLOYMENT OPPORTUNITIES

Healthcare Product Sales

Willoughby Industries, a leading USA-based manufacturer of healthcare plumbing fixtures, is seeking interested candidates for the position of Healthcare Product Sales. This position would be responsible for heading up the promotion and sale of Willoughby's line of healthcare plumbing fixtures; including surgical scrub sinks, infection control sinks, bariatric plumbing fixtures, toilets, showers and shower floors. This person would be based out of our manufacturing facility in Indianapolis, IN, but would need to travel to see Facility Owners, Architects and Engineers throughout the United States to educate those on our extensive product offering. Previous healthcare equipment sales and plumbing product knowledge is desired.

Interested candidates should send their resume and qualifications to Karen Wichman, Human Resources Manager at kwichman@willoughby-ind.com.

ABOUT CIRCLE DESIGN GROUP: Circle Design Group is an M/E/P/C design engineering company founded in 1982. After nearly 40 years in successful operation, we are still focused on the future and are seeking the addition of a Sr. Plumbing Designer to our talented staff. We are confident that our continuing growth will present you with many opportunities to share and apply your talents on a wide variety of challenging projects.

Job Description: Applicants will be responsible for design, coordination, layout and selection of plumbing, fire protection, medical gas system and equipment. Applicant will be a part of dynamic team working to deliver successful systems.

Job Requirements: An Associate or a Bachelor's degree in the field of mechanical engineering, or a related field. Minimum of 5 years related experience or training under the supervision of a licensed professional engineer. Must possess good verbal and written communication skills and be able to easily interact with others. Must possess technical expertise in the design and layout of plumbing systems with follow-through into the installation phase.

Closing: Compensation will be commensurate with experience, complemented by an array of benefits including insurance, retirement, continuing education, etc.

Please send a cover letter and resume (subject line: Applicant) to rsmith@CircleDG.com if you would like to discuss the possibility of joining our team. You will be glad you did.

No recruiters, please.
