AMERICAN SOCIETY OF PLUMBING ENGINEERS
 A NON-PROFIT ORGANIZATION - Local Chapters
 are not authorized to speak for the Society

**Gary Borgmann, CPD
President, C.I. Chapter of ASPE**

From the President:

Happy 4th of July to you all! I hope everyone had a nice holiday weekend and got their fill of cookouts and fireworks! Sandy and I enjoyed a nice 3-day motorcycle ride on backroads of Kentucky. Great roads and beautiful scenery, the perfect combination! Oh, and some great local food to top it off.

Our annual ASPE Golf Outing is getting close, just 4 weeks away! If you would like to participate, I suggest that you let John Okerson know of your intentions. Either send him your teams, or hole sponsorships. If you would like to play, but don't have a team, send John your name and we'll find a team for you. You can find more information in this issue on the Golf flyer. This year it will be held at the Eagle Creek Golf Course. Don't delay in getting signed up!

The convention is also coming up soon! September 16th through 21st. The Women Of ASPE Leadership Forum is on the 16th, and the delegate business meetings are on the 17th and 18th with the Exposition on Monday the 19th and Tuesday the 20th. They have lots of good technical programs planned as well. They will be on the 20th & 21st. For the "Full Registration" attendees, they have some fun stuff planned as well. For Sunday night, they have a big welcome party planned for the Crane Bay Event Center, sponsored by Nibco. For Monday's Awards Breakfast, the Keynote Speaker will be Chris Stricklin, a retired Colonel and decorated fighter pilot who will share his story. As I've told you before, the **Indiana ASPE members** will be able to use a **20% discount** code on their full registration. There are also discounts for more three or more attendees form the same company. Contact me, or any of the officers for the discount code. Please also consider volunteering, even if it's just one day. You can contact Pete Dervenis [pdervenis@proton.me], or me for details. We will need 5 volunteers per day September 16th through Sept. 19th, 14 volunteers on September 20th, and 4 on the 21st.

One last tidbit, Your Indiana Chapter Officers are planning a Membership Appreciation event in conjunction with the Convention. On Saturday night Sept 17th, we have rented the big back room of the Slippery Noodle Inn, and also hired "The Gordon Bonham Blues Band" for your entertainment. I've always had a great time at "The Noodle" and I'm sure you will too. We'll give more details on that later.

See you at the August 4th ASPE Golf Outing!

Coming to the
2022 ASPE Convention & Expo
This September

Get Geared Up for ASPE Racing at Indy

We are pleased to announce that the Eastern Michigan Chapter will be hosting ASPE Racing at Indy during the 2022 ASPE Convention & Expo, and all Chapters are invited to participate.

WHAT IS ASPE RACING AT INDY?

ASPE Racing at Indy is similar to a pinewood derby event of Scouts BSA. It will be a timed race in which each car will race four times once in each lane of the four-lane track, thus eliminating any lane advantage. The four race times will be totaled and averaged through a computerized timing system to provide an official race time for each car that will be used in determining awards and prizes. [Eastern Michigan Chapter](#) members will serve as the pit crew for the event, and the Chapter's VPL, William Grayzar, CPD, GPD, will serve as the Master of Ceremonies.

OFFICIAL RACE CAR KIT AND SPECIFICATIONS

A car kit will be supplied to each Chapter free of charge by the Eastern Michigan Chapter. The car kits will be the same as those used in the Scouts BSA program. Racecars are to be constructed within the following parameters. (Also see the instructions included with your official car kit.)

CAR #: You will be provided with an official car number that must appear in some fashion on the top and/or side(s) of your race car.

WEIGHT: 5 ounces maximum (but can be lighter)—minimum weight of 4 ounces is suggested.

LENGTH: 7 inches maximum (but can be shorter).

WIDTH: 2¾ inches maximum, and 1¾ inches minimum between the front wheels and the same between the rear wheels; otherwise, your car will not fit over the track guide rail.

CLEARANCE: 3/8 inches minimum from the bottom of the car to the track (rail) top; otherwise, your car will not clear the track guide rail.

WHEELS: You must use the wheels supplied with your official car kit (or similar BSA official racing wheels available at your local scouting shop).

AXLES: Axles do not necessarily have to be placed in the pre-drilled slots, but the axles (nails) supplied in your car kit **MUST** be utilized.

- >> No bearings, moving, or loose parts are allowed ANYWHERE on or in the car.
- >> The car shall not ride on any kind or type of spring.
- >> Graphite (or dry lubricant) may be added to the wheels until the car is registered and weighed in, but not after. No liquid or oil-based lubricants will be allowed as they can ruin the racing surface.
- >> Magnets are not allowed anywhere on the car as they may interfere with the timing system.

REGISTRATION AND WEIGH IN

1. All cars must be registered and weighed in to be eligible to participate in the event. Members of the Eastern Michigan Chapter will weigh in and collect and impound the racecars during check-in and registration at the ASPE Convention & Expo.
2. If a car is not in compliance with the specifications outlined above, it will be disqualified and will not be eligible to receive awards and prizes. However, at the discretion of the race official, the car may still be allowed to race.
3. If you can't be present for the registration and weigh in period at the Convention & Expo but still wish to participate, please contact the Eastern Michigan Chapter to make arrangements to register and weigh in your car.
4. Cars will be collected and impounded (retained) by the race staff until completion of the event, at which time they will be returned to the participants.

QUESTIONS?

Contact Bill Grayzar at bill@dsonline.com. The Eastern Michigan Chapter looks forward to racing with you at Indy in September!

Central Indiana Chapter ASPE 41st Annual Golf Outing 2022

We are asking for Support from our Manufacturer Representatives, Vendors, Contractors, Suppliers and Engineers to contribute in the form of **Hole Sponsorship(s)** and **Door Prizes** for our golf outing. In Sponsoring a Hole, a Sign will be made with your Company's name (1 per sign) on it and the Sign will be placed at a predetermined Tee Box. Door prizes will be raffled off after dinner. Door prizes should be delivered to **David Townsend** at DEEM (11201 USA Parkway, Fishers) prior to the event or delivered the morning of the outing to John Okerson at Eagle Creek Golf Club. Please let us know via email if you are providing a door prize.

Remember, Sponsorships make this opportunity available for exciting social interaction with the many Manufacturing Representatives, Vendors, Contractors, Suppliers and Engineers. As always, we are Very Grateful for all that you do for the Central Indiana Chapter of ASPE and would like to say **THANK YOU** for all your Support. I am most confident that you all will have a wonderful time at our Golf Outing this year.

Sincerely,

Gary Borgmann CPD

VALUE ENGINEERING: QUALITY NEVER GOES OUT OF STYLE

**Learn more about the benefits of
using a cast iron plumbing system.**

Don't Value-Engineer the Quality Out of Your System

Don't value-engineer the performance out of your next DWV plumbing project. Consider the true cost of installation when comparing piping solutions.

Reach out to your local Tech Services rep to schedule a time to go over the ASPE approved CEU Value-Engineering Considerations presentation.

MAKE THE SWITCH to

Less Time - More Profits - LESS LEAKS!

WHAT OTHERS HAVE FOUND...

"...Pro-Flex CSST not only provides a cost to cost saving against the other manufactures of CSST but is also an easier product to work with . While cost is higher than black iron the speed and reliability of Pro-Flex allows us to install faster without the worry of added cost of leaks..."

"When we work on any of our gas installs that require far or short runs we usually turn our heads to Pro-Flex CSST Gas Pipe. The pipe is easy to work with and is very forgiving in every way. What I like about the product is the gasket and duo FIP/MIP connections it provides. With the duo connection adapters, one adapter can be used for either MIP or FIP, I don't have to buy two different types of fittings to prepare for my jobs. As for the gasket being within the gas connection, we don't have to crank the fittings like we had to do with previous gas pipe. Not to mention, we have less leaks (a lot less) close to none AND we are able to reuse the fittings - unlike other manufactures that are not approved to do so. It has definitely become our go to for gas piping when we want to get it done quick and when we don't want call backs!" - Terence
