AMERICAN SOCIETY OF PLUMBING ENGINEERS
A NON-PROFIT ORGANIZATION - Local Chapters
are not authorized to speak for the Society

**David Townsend, CPD
Treasurer**

From the Treasurer:

Hello Central Indiana ASPE members and friends. Fall is finally here! Fall is my favorite time of year in Indiana with the cool mornings and evenings and the fact that the high humidity is gone for the year. Anyhow, enough about the season change. Let's talk ASPE. Our chapter will be back into chapter meeting season this month since we postponed our September meeting due to the timing of the ASPE Convention that we hosted last month.

On Thursday, October 20th, our chapter meeting will take place at the Northside Events and Social Club (K of C) location at 71st and Keystone. Randy Vogt with Disney-McLane will be presenting to us. You can find his information and topic further in this newsletter. Remember to RSVP via the link to reserve your spot. Our meeting schedule will be the same as before, every Third Thursday of the month. We will have also have a chapter meeting in December this year since we postponed the September meeting.

I hope you had the chance to attend the ASPE Convention and Expo! It was nice to have the convention in our home state. Our chapter was the host chapter in charge of gathering volunteers to manage the hospitality and ASPE Networking Suite as well as providing volunteers for session scanners and miscellaneous tasks. I want to take the opportunity to thank all of our volunteers for a job well done. Our chapter was represented well and your hard work and support were beneficial to the successful convention.

Our convention volunteers and board members arrived to the convention hotel early on Thursday to prepare the delegate gift bags that were to be handed out to all convention delegates starting Friday. With our team of volunteers, we were able to load all the boxes of swag, unload at the hotel and fill all 400 bags in about 3.5 hours.

At the convention, our chapter Delegates attended ASPE business meetings on Saturday and Sunday to vote on new bylaw amendments, vote on a new Society Board and other society business. The business meetings were very efficient this year and completed ASPE business in record time. The ASPE Expo provided many manufacturers and products on display again this year. There were some interesting and new and innovative products showcased. Technical sessions began on Tuesday and carried on throughout Wednesday. I was able to attend five sessions to learn some new things and refreshers on some things that I am not as familiar with. You can visit the ASPE website and read in the pipeline about the new bylaw amendments. Also check out the new ASPE Board of Directors for the Society.

Further in this newsletter issue, you'll find photos of the convention, volunteers, etc. Also, save the date for the 2024 ASPE Convention and Expo in Columbus, Ohio on October 18 – 23, 2024.

Hope to see you all on October 20th at our next Chapter Lunch Meeting. As always, if you have any topics you would like us to provide at our meetings, feel free to submit those to one of our chapter officers.

Until next month,

David Townsend, CPD
Treasurer – Central Indiana Chapter, ASPE
