

MARCH 2024

CI-ASPE

CELEBRATING 50TH ANNIVERSARY

AMERICAN SOCIETY OF PLUMBING
ENGINEERS

Central Indiana Chapter ASPENEWS

FEBRUARY MEETING

February 20, 1992

Mr. Fred Lott of Simmons Associates will be discussing the new Americans With Disabilities Act. This act has been causing a great deal of controversy within our industry and Fred has guaranteed us that he will dispell any misconceptions that we may have. The Engineers & Architects lunches will be provided, courtesy of P.M. Associates, who is the local Halsey Taylor Representative. This effects all of us, so bring your Architects with you also!

1991-1992

Speaker Schedule

<u>MEETING</u>	<u>DATE</u>	<u>SPEAKER</u>
September	19	Jeff Pierce - "Stainless Steel Pipe"
October	17	Aspinall/Sloan - "Low Flush Water Closets"
November	21	Dick Krumwied of Blocker - "Corrugated S.S. Gas Piping Systems"
January	16	Richard C. Morris from Cast Iron Institute - "Plumbing Design Standards"
February	20	Fred Lott of Simmons Associates- "Americans with Disabilities Act"
March	19	Kent Dowell from Ohmeda Medical Engineering Company - "Medical Gas Systems"
April	2,3,4	IHPCC Show
April	16	To be Announced
May	20	Robin Miller from the Indpls. Star & News As presented by Thomas & Associates
June	18	Golf Outing

AMERICAN SOCIETY OF PLUMBING ENGINEERS

CASPE
American Society of
Plumbing Engineers™

What is ASPE?

The **AMERICAN SOCIETY OF PLUMBING ENGINEERS** (ASPE) is the only organization dedicated to promoting the plumbing engineering profession to both enhance career opportunities for our members and ensure the health, safety, and well-being of the public through the design of safe plumbing, drinking water, and sanitation systems.

WHAT WE DO

Provide continuing professional education programs

Publish design manuals, tools, and standards

Host conferences, tradeshows, and networking events

Certify professionals skilled in plumbing system design

Promote safe and sustainable water and sanitation systems

Represent the industry in local and national government

Help develop safe plumbing and building codes and standards

OUR MEMBERS

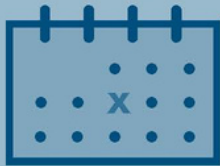

Our members are individuals working in various professions related to plumbing system design.

← What Is Plumbing Engineering?

Plumbing engineering is a vital part of the design/build construction process. Plumbing engineers use the principles of fluid flow with engineering calculations to design plumbing systems that transport fluids such as water, wastewater, natural gas, and rainwater throughout buildings.

BY THE NUMBERS

Hello everyone,

Thanks again for our February 15 WOA lunch event with ASHRAE to Julia Gilbert for setting it up and Nibco for sponsoring the event.

Also thanks to all of our vendors and attendees for our first product show in about 20 years. We had 23 vendor tables all with door prizes. There was about \$3,500 in prizes given out, seems like just about everyone in attendance got a prize. Congrats to Justin Ware from RQAW for winning the \$1000 cash grand prize. We will also be donating \$750 to a charity to be named later.

As for this month, we have two more events for everyone to attend.

- First we have an AYP event on March 14. We will be going Fowling which is some sort of football/bowling/bean bag toss kind of game. There will be food and drinks served. See the flyer in this newsletter for info on that event.
- Then on March 21 we are back to our lunch n learns. This month we have Joe Wolf from Apollo Valves teaching about Pressure Reducing Valves. Be sure to RSVP for these events.

ASPE news this month:

- The 2024 CPD Exam registration is open for anyone looking to be a certified plumbing designer. Deadline to register is March 31st. Exam dates are April 15-26. More info can be found at education.aspe.org/products/2024-cpd-exam-registration
- There is another MedGas workshop April 18-21 in person in Orlando or on-line if anyone is looking for the ASSE 6060 certification. There will be three more later this year. More info can be found at aspe.org/medgas-workshop

Anyone interested in a GPD Green Plumbing Design certification, can register anytime at education.aspe.org/products/green-plumbing-design. The program is on-demand and self-paced.

**ASPE
YOUNG
PROFESSIONALS®**

Hey!

Learn more about our group!

ASPE Young Professionals (AYP) is dedicated to the needs of plumbing engineers and designers 35 years old and younger. Your local ASPE Chapters have been busy organizing exciting opportunities designed to help you excel in your career, including:

- > Partnerships with other associations
- > Social and networking events
 - > Educational offerings
 - > Mentoring programs

And more!

Exclusive AYP Sponsor

To learn more about the ASPE Young Professionals special-interest group, email ayp@aspe.org and visit aspe.org.

AYP UPDATE

Alex Betz, E.I., CPD
AYP Liaison, CI-ASPE Chapter

All,

Just wanted to send out a way overdue quick update to those in both AYP and WOA.

First off if you don't know me, I'm Alex Betz. I work at R.E. Dimond and Associates and have been a Plumbing Engineer for 5 years. I got my CPD a year and a half ago, and only became our AYP liaison last May. Outside of work I'm an avid hockey fan and player. I also spend time volunteering at my local Humane Society, mostly working with dogs.

Some upcoming events of notes:

- Water Quality Webinar - Thursday, March 7 12-1pm
- Medical Air 101 Webinar - Thursday, March 14 12-1pm
- Fowling at the Indianapolis Fowling Warehouse – Thursday March 14th 4-6pm (Pi Day/ AYP Event). I know its short notice, but I think it will be a great event to see each other and have some fun.

Please let me know if you have any questions, or if you have any suggestions on what I can do to help the AYP.

Tech News Now!

Dale Musgrove, CPD
VPT, CI-ASPE Chapter

Hello,

This month's meeting will be held on March 21st at the Northside Event & Social Club. We are happy to have Joe Wolf from Apollo Valves to present to our chapter.

Joe is the multi-regional (12 states) business development manager with Apollo Valves; a division of Aalberts-IPS a 95-year-old domestic ball valve manufacturing company. He has been with Apollo Valves since 2017 holding this position as well as a brief stint in sales throughout his time with the company.

Born and raised in Columbus, OH, Joe graduated with a BA in International Studies with a specialization in the Soviet Union and a history minor from Bowling Green State University in 1991. He has been involved with the construction industry his entire professional life in one fashion or another. Upon completion of his college studies, he spent a brief time as a factory rep for Universal Rundle (URC from New Castle, PA) covering a 25-state territory dealing with every Sears Home Improvement Store in those states.

Luxury Showroom Products | Contractor Tools & Specialties

In early 1992, Joe began a 5 year apprenticeship in the Sheet Metal Workers Local 24 apprenticeship program and stayed in the industry as a food grade welder, fabricator, foreman, estimator and Project Manager working in the Central Ohio area for 16 years at multiple Honda Plants, major Hospital and University construction sites for some of the areas biggest Mechanical Contractors (Limbach & Kirk Williams Co. as well as the family owned Wolf Metals Inc. a custom sheet metal company.) In 2006 Joe spent a brief stint as the co-owner of his father-in-law and brother-in-law's underground utilities contracting company in Charlotte, NC. After the downturn in the economy, Joe left the construction side of the industry and got into steel sales, working for one of the largest steel service center companies in the US, Alro Steel from Jackson, MI in both inside and outside sales roles covering a 29-county footprint within Central Ohio.

Joe's current responsibilities with Apollo Valves include working with MEP engineering firms in specification review/ editing, as well as lunch and learn style product presentations; maintaining the company's national association memberships with ASPE, ASHRAE, IAPMO, ASSE, PHCC, etc.; sitting on the company's internal codes and standards team; working with the company's educational unit (ATI or the Aalberts Training Institute) as the Training Coordinator where he is responsible for developing training and writing educational curriculums; and working closely with the local factory direct and Rep sales teams to identify projects and where we stand with the engineering firms as far as specification position.

Joe is happily married to his wife Bridget from (Meadville, PA/ Kinsman, OH) for 24 years has 2 sons Grant (20) and Blake (17), is heavily involved with his alma mater St. Charles Prep School (where his sons attend(ed) as an ambassador, benefactor, consultant, advisor, former Baseball and Football assistant coach of 20 years (1987-2007) and continues to call central Ohio (Powell) as his home.

Joe will educate us on water pressure reducing valves.

Course Outline:

- What is a WPRV?
- Why do we use them
- Types of WRPV's
 - Direct Acting
 - Automatic Control Valves
 - With pilot
 - With low flow bypass
- Scenarios and applications to consider

We welcome Joe and look forward to the presentation.

Thank you to our members for their support of our Chapter and look forward to seeing you at the meeting.

MEDICAL GAS SERIES: OVERVIEW ON MEDICAL AIR

WHEN: Thursday, March 14, 2024 // noon – 1 p.m. EDT

WHO: Josh has 18 years of experience in the Medical Gas industry serving various roles such as Service Coordinator, Inside and Outside Sales, and Customer Support. He also has a background in industrial vacuum applications. Josh holds a bachelor's degree from Trinity International University in Deerfield, IL with an emphasis in music and education. Josh's education background is utilized often while consulting with engineering firms as a Medical Gas Consultant and teaching as an ASPE educator. Josh works with engineering firms, contractors, medical and lab facilities, distributors, and service partners throughout the Central U.S. He is the National Account Manager for a major health network and works very closely with each of their health facilities nationwide.

Some of Josh's recent accomplishments include becoming certified in Medical Gas Design and being the first to be credentialed through NITC for the ASSE 6060 certification. Josh also helped create medical vacuum and air systems sizing standards for a national health network and has worked with the Federal Emergency Management Agency (FEMA) on the designing and building of mobile hospital trailers to treat COVID hotspots and natural disaster relief efforts.

Josh is a very active ASPE member, currently serving as the Region 2 Affiliate Liaison, Eastern Michigan Chapter Vice President of Membership, and Committee Chairman for the EMC Golf Outings. He serves on multiple committees including the ASPE Affiliate Advisory Committee, ASPE Membership Committee, and the Central Ohio Chapter 2024 Convention & Expo Planning Committee. He is active with additional ASPE memberships for the Chicago, Cleveland, and Central Ohio Chapters. Josh and his family reside in northwest Ohio.

ASPE

Mentoring Program

This program, which is available to all members of the Society, has been designed to connect ASPE members who have a particular skill set (mentor) with individuals (mentee) who are searching to acquire the same skills to develop and make progress toward their personal and professional goals.

Who Is a Mentor?

A mentor is someone who can help the mentee develop skills for success and long-range career planning, is able to be a good listener, is willing to share experiences and views, is willing to commit time and effort, provides an “open door” to questions and problems, points out both strengths and opportunities for improvement, and has a vested interest in the growth and development of their mentee.

Benefits to the mentor:

- Satisfaction in helping someone mature, progress, and achieve goals
- Meeting and sharing experiences with other mentors
- Personal ongoing support to help the mentee succeed
- Personal fulfillment through contribution to the Society and the individual

Who Is a Mentee?

Having a mentor can contribute to a successful and satisfying career. Without a mentor, that learning occurs mostly through trial and error. With a mentor, even experienced professionals can benefit from the experiences and expertise of someone who has withstood the trial and can help the mentee avoid the mistakes. Similarly, those new to the industry will discover that being a mentee shortens the learning curve for acquiring the skills and knowledge most critical to a fruitful career.

Benefits to the mentee:

- Discover new talents about yourself
- Career satisfaction
- Expand your personal network
- Maximize your strengths

CERTIFIED IN PLUMBING DESIGNSM

CERTIFIED IN PLUMBING DESIGN (CPD), administered by the American Society of Plumbing Engineers (ASPE), is the only international certification program specifically for engineers and designers of plumbing systems. Professionals who have the CPD credential are considered to have the highest level of skills in the design and specification of plumbing systems.

EARNING & MAINTAINING THE CPD CREDENTIAL

Am I eligible?

Route 1:

4 year engineering degree + 4 years of work experience designing plumbing systems

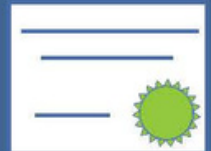

Route 2:

8 years of work experience designing plumbing systems

Other eligibility options:

cpdt

Current CPDT certification counts toward 1 year of experience

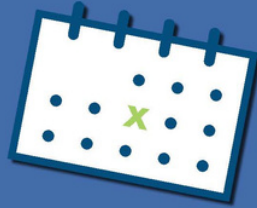

PE license counts toward 2 years of experience

When can I take the exam?

The exam is held **annually** in the spring

Registration typically opens in December prior to the exam date

You can register online at education.aspe.org

Where do I take the exam?

The CPD exam is held at **online testing centers** around the world

Did I pass or fail?

Scores are **mailed** 6 to 8 weeks after the exam

Maintaining your CPD credential

- ✓ You must earn 24 hours of continuing education every 2 years
- ✓ You can find recertification details at aspe.org/education-credentialing/cpd/recertification/

For more info:

aspe.org/education-credentialing/cpd/
or email certification@aspe.org

February 8th, 2024

Note: Meeting began at 11:30 a.m.

Attendees- David Townsend, Michael Lambert, Julia Gilbert, Gary Borgman, Joe Keller, Jeff Eley, Joe Siebert, Frank Bruggner, Joe Asbell.

Old Business:

Treasures Report - David Townsend

- Financially in good standing, with no outstanding bills currently.
- Still have 1 outstanding invoices for February's Tabletop.
- Up to date on lunches & Invoices

Membership Report - Michael Lambert

- 121 members
- 2 New Members (Mark Elkins from Topp Mktg. & Thomas Ryan P.E.)
- 10 on the list for renewal
- 2 on the revoke list
- Suggestion by Frank Bruggner to have all future new member receive or provide a 5-minute "Bio." After membership has been approved. Trying to get them enticed to come to monthly meetings and to make them feel welcome.

AYP/WOA-

- Tentative Fowling Event in March more information coming in the near future.
 - Update Reserving date for 3/14, time 4-6 pm, planning on a head count of 20-30 participants (Fowling Warehouse) located at Brookside Ave. near downtown.
- WOA-Diversity event set for February 15th 11:00 a.m. to 1:00 p.m. located at the Skyline Club, more information to come in the future.
 - Update reminders have been sent to update ASHRAE link for R.S.V.P. purposes in the on the date, time.
 - 36 RSVP's already but room for more.

VP Tech Report-Dale Musgrave

- January Tech. training will be “Stainless Steel Drains” provided by Joe Siebert of MMI
- February Vendor Tabletop is set for February 22nd 2024 starting at 4:00 pm to 6:00 pm at North Side Social Club same location as our normal monthly meetings. 19 Vendors will be participating. \$1000.00 cash give away for one lucky attendee. Additional door prizes will be presented throughout the event.
- March Apollo and PRV’s
- April Medical Gas
- May Liquid Nitrogen

VP Legislative Report - Alex Betz

- Nothing new to report at this time.

Ambassador Report - Gary Borgman

- No update at this time.

LinkedIn ASPE Chapter Report - Joe Siebert

- No update at this time.

Member Appreciation -

- Fowling Event scheduled for March 14th 2024 starts at 4:00 p.m. ends at 6:00 p.m

Update Chapter Officers -

- Nothing new at this time.

ASPE Design/Engineering (Scholarship Program)

- Tabled till “2025” at this time
- Update, sidebar this topic right now, we need to investigate tax implication to the recipient and Chapter providing possible scholarship. Motion was voted on and approved by all present chapter members
- Discussed the creation of TWO scholarships at \$1500 dollars each for future presentation to any student starting their education in the design or engineering fields. We are tentatively planning to award them during the month of May 2024. The board will continue to work on logistics and requirements for future applicants. More information to come from the board in the next couple of months.

Upcoming 50th Anniversary-

- (Tabled at this time)
- 2024 will be the 50th year of the Central Indiana Chapter, looking for ideas on how & where celebrate this event.

Plumbing Design “101”-

- (Tabled for future discussion)
- Discussed offering a training program in the future, going to reach out to the Eastern Michigan Chapter for guidance and Celebes if available.

New Business:**Ball State:**

- The possibility of working with Ball State and their “Construction Management” will be discussed in greater detail at November meeting once we get more information from Garrett Dickerson.
 - 01/11/24-Update Ball State responded that they would love to happy to have us come in provide “Design 101” offering for their construction management program in the near future. Working on getting date set between ASPE Chapter and Ball State.
 - No update at this time, we have contacted Ball State and haven’t received any response

Upcoming Events:

- 2023 Tech Symposium
- 2024 50th Anniversary Party
- 2024 ASPE Convention Columbus, Ohio
- 2024 Baseball Night schedule for the month of June actual date to follow
- 2024 Volunteer Event (Gary Borgeman) to provide ideas or options for future event possibly in May
 - Update 2/8/24 Volunteer Event would weekend, or weekday would work better you commit to help with Habitat for Humanity. Gary will contact them to get some idea on future dates that could benefit everyone involved.

Meeting adjourned at 12:45 PM, next board meeting March 14th 2024, BDA Office 11:30am

Submitted by: Jeff Eley

What Is ASPE Connect?

ASPE's newest member benefit! ASPE Connect is an online community where ASPE members can find answers to design questions, build relationships, share successes, brainstorm ideas, and get career advice. You can access ASPE Connect 24/7 from any computer or mobile device.

ASPE CONNECT BY THE NUMBERS

6.62

Average replies per thread

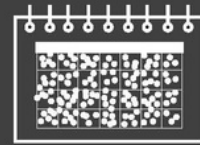

40+

Library resources

55+

New threads per month

420+

Total posts per month

WAYS TO LEVERAGE ASPE CONNECT

1. Get answers to your most pressing questions
2. Build relationships with fellow professionals
3. Offer your advice and knowledge to other members

MOST POPULAR DISCUSSIONS

ASPE members are actively talking about:

- High-rise domestic hot water design
- Grease interceptor sizing
- Revit use for engineers
- Flow in sewer lines
- Medical gas sizing
- CPVC piping

HOW TO GET STARTED

STEP 1

Go to connect.aspe.org

STEP 2

Click the blue "Sign In" button

STEP 3

Select "Confirm your email" and enter your email

STEP 4

After receiving the email, set your password and log in to the community

STEP 5

Fill out your profile

STEP 6

Go to the Open Forum and start connecting!

**Evansville ASPE Satellite Chapter
Board Meeting – March 7, 2024
Time 11:30 @ Highland INN**

Agenda

Brian, Steve, Sam, Larry and Ray in attendance

President – Brian Lowe

- **Approval of Meeting Minutes**
 - Minutes Approved
- **Region 2 Spreadsheet updates**
- **Work on becoming a Full Chapter**
 - First Newsletter has been published!!!!
 - Put Bowling Flyer in next one.
 - Put Advertising Sheet in next one.
 - Brian wrote his first article for the Newsletter
 - Jason did a great job.
- **Next Region 2 Presidents Zoom** – Tuesday April 2nd at 11est
 - Information is here in case Brian cannot get on, so one of the other board members can.
- **Convention 2024** – October 18-23, 2024 Columbus OH
 - Still a ways out to figure out who is going and when
- **Region 2 Presidents Meeting** – June 14-15, 2024 Dayton, OH
- **Medical Gas Training and Certification Program** – Available Online & In-person
- **2024 Bowling Event** – April 24th - Update from Sam
 - Have not gotten any responses back as of yet
 - 4-5 weeks away.
 - Board needs to push to get some teams/ sponsors
 - See if each Board Member can get a couple of teams interested.
 - A way to bring in new members
- **Membership Appreciation Event**
 - Brian brought in a flyer for Cornhole Tournament that another Chapter is doing for fundraiser. Talked about combining a Breakfast and Cornhole Tournament Fundraiser for Not for Profits and include Membership Appreciation with it.

HOW CAN
YOU
CONNECT?

connect.aspe.org

Vice President Technical – Steve Sitzman

- **Luncheon Dates –**
 - Ideas for Topics: Proposal Writing, Code Update, Building Commissioner/Inspector (round table), Seismic, Booster Pumps, Storm Retention, Refrigeration (Ice Rinks), Oil/Grease Interceptors, Tours of EWSU, Prime Foods, Ford Center, UE/USI
 - Steve submitted for all the CEU's with the exception of the Disney McClane, they took and said that they would enter the CEU's.
- **2023 – 2024 Meeting Dates and Topics – Meetings 11:30 at Comfort on Main St**
 - Sept 28th – Matt Lucchese – DSG – Firestopping
 - Oct 26th - - Mathis Carlson – MediTrac – Innovations of Med Gas Piping
 - Nov 30th – Bryan Lee – Eemax
 - Jan 25th – Todd Schneider – Disney McLane – Backflow
 - Feb 22nd – Bob Taylor – McWane Plumbing
 - March 28th – Josh Pedraja – Pattons Medical – Med Gas
 - Apr 25th – Dan Sabetta – Viega
 - May 23rd – Kyle Trick – Trench Drains
 - Vendors cost to sponsor meeting \$400
- **\$20 nonmember – Free to members**
- **Send technical program evaluation to asper2director@aspe.org & aspevpe@aspe.org**

Education Chair – Cody Schroeder

- Start thinking about topics and presenters for next year

Newsletter Editor – Jason McDonald

- Get articles to Jason this week
- Consider Website, Share Meeting announcements on LinkedIn/social media

Vice President Membership – John Buechlein

- 34 Total Members
- Review member report

Treasurer – Sam Schenk

- Treasurer Report
- Set budget for 2024 Convention and Expo
 - Waiting to set the budget for when they say where the hotels that are participating.
 - Figure out who is going and for how long each is going
- Send updated reports monthly aspetres@aspe.org - asper2director@aspe.org
- Chapter Ambassador Program Updates

Secretary – Ray Witmeier

- Email BOD meeting notes and pics of lunch education meetings to: Joe Keller & Steve Kormanik asper2director@aspe.org - joeckeller@yahoo.com

Affiliate Liaison - Jacob Evans

- Newsletter Article

Historian – Larry Fox

- Newsletter Article
 - Maybe some article on the history of certain fixtures or equipment.

Next General Meeting – March 28th 11:30 @ Comfort on Main

**Next Board Meeting – April 2nd 11:30 @ Buds this date is not good
Brian is going to figure out when the next Board Meeting will be.**
