Letter From the President

Dale Musgrove, CPD
President, CI-ASPE Chapter

Happy June All,

Thank you to all who attended our technical sessions this past year, we appreciate your participation as it helps us all as professionals to help better understand the environment we work in every day. Have a great Summer break!

ASPE News & Opportunities:

- MedGas Workshop – 2026 June 11–14, Rosemont (Chicago), Illinois, Instructor: Mathis Carlson
 - [Register on ASPE Education](#)
- September 17–20, Roswell (Atlanta), Georgia, Rheem Interactive Learning Center, Instructor: Mark Allen
 - [Register on ASPE Education](#)
- November 12–15, Rosemont (Chicago), Illinois, Instructor: Mathis Carlson
 - [Register on ASPE Education](#)

Upcoming Events:

- 2026 ASPE Convention & Expo - October 8-14 Oklahoma City, Oklahoma

Technical Resources:

- ASPE Connect: Don't forget to use ASPE Connect for technical discussions and networking with peers nationwide.
- Education & Training: Check out ASPE's webinars and on-demand courses to stay ahead in your professional development.

Stay engaged, stay informed, and thank you for being an active part of our ASPE community!

American Society of Plumbing Engineers

What is ASPE?

The **AMERICAN SOCIETY OF PLUMBING ENGINEERS** (ASPE) is the only organization dedicated to promoting the plumbing engineering profession to both enhance career opportunities for our members and ensure the health, safety, and well-being of the public through the design of safe plumbing, drinking water, and sanitation systems.

WHAT WE DO

Provide continuing professional education programs

Publish design manuals, tools, and standards

Host conferences, tradeshow, and networking events

Certify professionals skilled in plumbing system design

Promote safe and sustainable water and sanitation systems

Represent the industry in local and national government

Help develop safe plumbing and building codes and standards

OUR MEMBERS

Our members are individuals working in various professions related to plumbing system design.

What Is Plumbing Engineering?

Plumbing engineering is a vital part of the design/build construction process. Plumbing engineers use the principles of fluid flow with engineering calculations to design plumbing systems that transport fluids such as water, wastewater, natural gas, and rainwater throughout buildings.

INDUSTRY PARTNERS

To achieve our goals, ASPE collaborates with the following organizations:

American Backflow Prevention Association	National Institute of Building Sciences
ARCSA	NSF International
ASHRAE	Plumbing Efficiency Research Coalition
ASSE International	Plumbing Industry Leadership Coalition
Canadian Institute of Plumbing & Heating	Plumbing Manufacturers International
CSA Group	United Association
IAPMO	Water Quality Association
International Code Council	World Plumbing Council

HOW YOU CAN GET INVOLVED

Our Chapters host monthly meetings, golf outings, tradeshow, seminars, picnics, baseball outings, and more fun networking events to help local professionals connect.

ASPE Mentoring Program

This program, which is available to all members of the Society, has been designed to connect ASPE members who have a particular skill set (mentor) with individuals (mentee) who are searching to acquire the same skills to develop and make progress toward their personal and professional goals.

Who Is a Mentor?

A mentor is someone who can help the mentee develop skills for success and long-range career planning, is able to be a good listener, is willing to share experiences and views, is willing to commit time and effort, provides an “open door” to questions and problems, points out both strengths and opportunities for improvement, and has a vested interest in the growth and development of their mentee.

Benefits to the mentor:

- Satisfaction in helping someone mature, progress, and achieve goals
- Meeting and sharing experiences with other mentors
- Personal ongoing support to help the mentee succeed
- Personal fulfillment through contribution to the Society and the individual

Who Is a Mentee?

Having a mentor can contribute to a successful and satisfying career. Without a mentor, that learning occurs mostly through trial and error. With a mentor, even experienced professionals can benefit from the experiences and expertise of someone who has withstood the trial and can help the mentee avoid the mistakes. Similarly, those new to the industry will discover that being a mentee shortens the learning curve for acquiring the skills and knowledge most critical to a fruitful career.

Benefits to the mentee:

- Discover new talents about yourself
- Career satisfaction
- Expand your personal network
- Maximize your strengths

Good Afternoon Everyone,

Hope you've all are all doing well. Few announcements for AYP and WOA.

A reminder to follow the [Central Indiana ASPE Linked-In page](#) so you can stay up to date with all of the latest news from our chapter.

If you know of any one out there who isn't yet part of ASPE, please invite them to some of our events. I believe anyone under 35 that joins, is automatically invited to AYP.

Please let me know if you have any questions, or if you have any suggestions on what I can do to help the AYP.

CERTIFIED IN PLUMBING DESIGN (CPD), administered by the American Society of Plumbing Engineers (ASPE), is the only international certification program specifically for engineers and designers of plumbing systems. Professionals who have the CPD credential are considered to have the highest level of skills in the design and specification of plumbing systems.

EARNING & MAINTAINING THE CPD CREDENTIAL

Am I eligible?

Route 1:

4 **year** engineering degree + 4 years of work experience designing plumbing systems

Route 2:

8 **years** of work experience designing plumbing systems

Other eligibility options:

Current CPDT certification counts toward 1 year of experience

PE license counts toward 2 years of experience

When can I take the exam?

The exam is held **annually** in the spring

Registration typically opens in December prior to the exam date

You can register online at education.aspe.org

Where do I take the exam?

The CPD exam is held at **online testing centers** around the world

Did I pass or fail?

Scores are **mailed** 6 to 8 weeks after the exam

Maintaining your CPD credential

- ✓ You must earn 24 hours of continuing education every 2 years
- ✓ You can find recertification details at aspe.org/education-credentialing/cpd/recertification/

For more info:

aspe.org/education-credentialing/cpd/
or email certification@aspe.org

RULES AND MORE

Deadline: Deadline for Early Bird entry is Friday, July 17th, 2026.

All registration Forms and Payments must be received by this date please. Late payments will be assessed a \$30 fee if paid after that date. Electronic payments by July 17th are preferred!

Format Play: Four (4) Person Scramble played from the Blue Tees. After each team player shot, all players will play from the best shot of the four until a ball ends up in the cup. This allows players of varying skills to participate and contribute.

Rules: Beverages and Snacks for the day will be provided by a pre-determined Sponsored Organization. NO food or beverages are to be brought onto the property. All players must wear a collared shirt at all times. Appropriate golf attire is required. Cutoff shorts, tank tops and turf shoes are not acceptable. Soft spike shoes only – metal spikes are NOT allowed. Players must ride in a club provided golf cart. All rules are made by the CI-ASPE GOLF OUTING RULES COMMITTEE AND EAGLE CREEK GOLF CLUB and are final.

Awards: FIRST PLACE TEAM players will each receive an individual trophy and a golf course gift certificate. 2nd Place and 3rd Place Teams will receive a golf course gift certificate. MOST HONEST (HIGHEST SCORE) TEAM players will each receive very much needed box of golf balls. There will be "HOLE-IN-ONE" prize opportunities at three (3) Par 3 holes with a grand prize opportunity of \$5,000 CASH at one (1) Par 3 hole. Golf course gift certificates will also be awarded to players for: CLOSEST TO THE HOLE from a tee shot, LONGEST DRIVE from a tee shot and LONGEST PUTT made on the holes designated for those prizes. Door prizes will be raffled off after dinner (You must be present to win).

Tie Play: Tie scorecards will be settled by best score beginning with the number one handicap hole.

Specials: Just after signing in, there will be a one-shot PUTTING CONTEST at the Practice Putting Green for a special prize.

We are asking for support from our Manufacturer Representatives, Vendors, Contractors, Suppliers and Engineers to contribute in the form of Hole Sponsorship(s), Team Sponsorship and Door Prizes for our golf outing. In sponsoring a hole, a sign will be made with your company's name (1 per sign) on it and the sign will be placed at a predetermined tee box. In sponsoring a hole with a tent/tabletop, the sponsor will have a sign and be able to have a representative at the tee box with their products. Door prizes will be raffled off after dinner. Door prizes should be delivered to David Townsend prior to the event or delivered the morning of the outing to David Townsend at Eagle Creek Golf Club. Please let us know via email if you are providing a door prize.

Remember, Sponsorships make this opportunity available for exciting social interaction with the many Manufacturing Representatives, Vendors, Contractors, Suppliers and Engineers. As always, we are Very Grateful for all that you do for the Central Indiana Chapter of ASPE and would like to say THANK YOU for all your Support. I am most confident that you all will have a wonderful time at our Golf Outing this year.

Sincerely,

Dale Musgrove

What Is ASPE Connect?

ASPE's newest member benefit! ASPE Connect is an online community where ASPE members can find answers to design questions, build relationships, share successes, brainstorm ideas, and get career advice. You can access ASPE Connect 24/7 from any computer or mobile device.

ASPE CONNECT BY THE NUMBERS

WAYS TO LEVERAGE ASPE CONNECT

1. Get answers to your most pressing questions
2. Build relationships with fellow professionals
3. Offer your advice and knowledge to other members

MOST POPULAR DISCUSSIONS

ASPE members are actively talking about:

- High-rise domestic hot water design
- Grease interceptor sizing
- Revit use for engineers
- Flow in sewer lines
- Medical gas sizing
- CPVC piping

HOW TO GET STARTED

STEP 1

Go to connect.aspe.org

STEP 2

Click the blue "Sign In" button

STEP 3

Select "Confirm your email" and enter your email

STEP 4

After receiving the email, set your password and log in to the community

STEP 5

Fill out your profile

STEP 6

Go to the Open Forum and start connecting!

MegaPress®G

Press safer.
Press bigger.

Connected in quality.

Quick, safe connections on large diameter gas lines.

Viega MegaPress®G requires no open flames or added cost of fire watch, so projects are safer and more profitable. Installers can secure gas pipe up to 4" in 16 seconds or less, saving 60-90% on labor costs. That's why professionals choose MegaPress®G - the trusted press connection method approved for gas lines 1/2" to 4".
